Drugs, Behavior and Health

William Buckley

Professor
Kinesiology

Email Address: web5@psu.edu

Research Interests: Health aspects of sport and athletic training with a focus in sport injury risk assessment and epidemiology; development of sport injury risk assessment models to apply to various subset athletic populations (women, disabled, senior participants), drug use in athletics, quality assessment for athletic training, and curriculum design.

Linda Collins

Professor; Director, Methodology Center
Human Development & Family Studies

Email Address: LMCOLLINS@PSU.EDU

Research Interests: Measurement and analysis of change in human behavior and ability; research methods; design, and statistics; mathematical models of adolescent substance abuse.

Donna Fick

Associate Professor
Nursing

Email Address: dmf21@psu.edu

Research Interests: Inappropriate medication use in older adults, prevention of drug-related problems in older adults, and delirium in persons with dementia.

John Graham

Professor
Biobehavioral Health

Email Address: JGRAHAM@PSU.EDU

Research Interests: Theoretical and methodological issues relating to adolescent, young adult, and adult health promotion and disease prevention; social development and family behavior relating to health; development of research methods (missing data, structural equation modeling, detection and control of self-report bias).

Gary King

Associate Professor
Biobehavioral Health

Email Address: GXK14@PSU.EDU

Research Interests: Current research using national data bases include: American smoking behavior, comparative international tobacco consumption (France and West Africa), and child maltreatment and reporting practices.

Laura Klein

Associate Professor
Biobehavioral Health

Email Address: LCKLEIN@PSU.EDU

Research Interests: Biobehavioral effects of stress on drug abuse in humans and animals; sex differences in neuroendocrine and behavioral stress responses; nicotine regulation of stress reactivity.

Lynn Kozlowski

Professor
Biobehavioral Health

Email Address: LTK1@PSU.EDU

Research Interests: Public health approaches to addiction; tobacco use; drug abuse; appetitive behaviors and their relationship to health.

Jennifer Maggs

Associate Professor
Human Development & Family Studies

Email Address: JLM73@PSU.EDU

Research Interests: Adolescent social development and health; transition to adulthood; risk behaviors; prevention science; research methods; alcohol expectancies.

Gerald Mc Clearn

Evan Pugh Professor
Biobehavioral Health

Email Address: GM1@PSU.EDU

Research Interests: Application of quantitative genetic models to analysis of phenotypes relevant to health and development.

John Moran

Assistant Professor
Health Policy & Administration

Email Address: JRM12@PSU.EDU

Research Interests: Health insurance; hospital care for children; use of medical care by the elderly; alcohol and tobacco policy.
Karl Newell  
**Professor and Associate Dean**  
Deans Office  
Email Address: KMN1@PSU.EDU  
Research Interests: Coordination, control and skill of normal and abnormal human movement across the life-span; development of coordination, acquisition of skill, information and movement dynamics, mental retardation and motor skills, drug exercise influences on movement control.

Robert Turrisi  
**Professor**  
Biobehavioral Health  
Email Address: RJT13@PSU.EDU  
Research Interests: Parent-adolescent relationships; alcohol and substance use prevention; skin cancer prevention.

David Vandenberg  
**Associate Professor**  
Biobehavioral Health  
Email Address: DJV4@PSU.EDU  
Research Interests: Molecular biology of the nervous system, and how it is modified by drugs of abuse; genetic components of drug abuse behaviors.
