Application for Funds for Summer Undergraduate Research

Funds are available from the Noll Endowment for Undergraduate Research to support the summer research or internship activities of undergraduate students in the Athletic Training, Kinesiology, or Exercise Science major. The purpose of the Noll endowment award is to “promote exposure of undergraduates to research environment and stimulate interest in graduate education research”. Funds may be used to cover hourly wages and/or supplies. Kinesiology students at all campuses are eligible for these awards. **To apply, please complete the form below and submit it by 5:00 PM, April 15, 2016.**

Please submit this application to: Kinesiology Department Student Scholarship Committee
