Assignments:
In addition to class attendance and participation, you are required to complete various assignments over the course of the semester. They are as follows:
1) Readings
Readings are assigned to support experiences and activities throughout the semester. Please complete readings prior to the class meeting or as assigned. Please reference these readings in your written work as appropriate. Both APA and MLA styles are appropriate.

2) Leadership Reflections
Reflection assignments are designed to encourage in-depth thinking about your leadership development. A rubric for the Leadership Reflections is provided in your Orientation Packet. Each reflection assignment is due three days after each session.

3) Class Participation Scores
As part of your development as a leader, you are asked to assess your contribution to the class after each session. A rubric for the self-assessment is provided in your Orientation Packet. Scores are due via ANGEL three days after each session.

4) Panel Questions
You are required to submit a total of two (2) questions for panel members for each of the three (3) panel presentations. Submission dates are on the syllabus.

5) Leadership Assessments
You will complete two assessments during the year: the Myers-Briggs Type Indicator (fall) and the Campbell Interest and Skill Survey (spring). The Myers-Briggs Type Indicator (MBTI) increases self-understanding and appreciation of personal differences in order to improve one-on-one interactions and team success. You must complete the MBTI prior to the beginning of the fall semester. Instructions are posted under “Lessons” on ANGEL.

6) Résumé and Cover Letter
You will prepare and submit a resume and cover letter. Please visit the following website for information on how to create a resume: www.sa.psu.edu/career/PDF/CG_resume.pdf.

The examples on this page are general, so you will need to adjust the résumé to your needs. Your cover letter can be directed toward a real or fictitious employment or internship opportunity. You can address the letter to a real or fictitious person.

You must submit your draft to both your mentor and your departmental representative for input (see list below) by no later than November 18. Please submit your finished résumé and cover letter to the ANGEL drop box by December 9.

7) Mentor Communications
Early in your WLI experience you will be matched with a mentor. All mentors are selected because their professional and life experiences can provide direct and sustaining applicability to your life as a woman, a professional, and a leader (even if she is not a major in your discipline or working in your intended discipline). You are required to communicate with your mentor as per the syllabus instructions to update her on your progress, but you may also want to communicate on a more regular basis.

8) Penn State Forum Lunches
You must attend ONE Forum Lunch and submit a two-page summary of what you learned about leadership development in the Forum Lunch drop box on ANGEL. Submissions must be received within two days of the Forum Lunch. A Penn State Forum Lunch sign-up for fall semester is in your orientation packet. With your advance reservation WLI will provide tickets for any of these Forums that you would like to attend. The Forums are an excellent way to observe and learn from nationally and internationally known leaders. Dress code: business. The Forum participation may be used as an optional activity to enhance your leadership capacity, and can add up to 20 additional points (10 per Forum) to your total. If you sign up for a Forum, you must attend. Cancellations are ONLY accepted with a $18.00 fee (the cost of your ticket) or an individual who will attend in your place.

If you are unable to attend a Forum Lunch, you may instead attend the HHD Distinguished Alumni Speaker Series, a lecture in the University’s Distinguished Speaker Series, or another previously-approved lecture. Please submit your 2-page reflection on what you learned about leadership development in the Forum Lunch drop box in ANGEL.

Grading Criteria:
Grades are based on attendance at, and participation in, WLI Weekend Workshops and Friday Sessions, and on the grades you receive for the various assignments.

Optional Activities are available to acquire additional experiences and, if necessary, to substitute for required experiences. If you are participating in Optional Activities for points to substitute for a required activity, the instructor must approve your participation before completing the activity. Optional Activities may substitute for a maximum of SIX HOURS of required class hours (i.e. the equivalent of one Friday Session).

### Policy Statements:

#### Attendance Policy

Attendance at all events is crucial to your success in the Women’s Leadership Initiative. You will learn from one another as well as from leaders with whom you interact. Please arrive **10 minutes early**.

You are expected to attend every class listed on the syllabus, in addition to the retreat, unless you have a previously-approved excuse. In the event that you experience a Penn State-endorsed conflict with a particular event, such as a documented illness, death in the family, etc., please notify the instructor in advance by e-mail, or in the case of emergency, as soon as possible.

#### Late Assignment Policy

Assignments submitted beyond the deadline and not accompanied by a documented University sanctioned excuse, will result in **one full grade drop** for each 24-hour period beyond the deadline (e.g., an A will become a B, etc). Assignments handed in more than three days beyond the deadline will not be accepted and will receive a grade of zero (0).
Statement on Religious Holidays

While efforts are made to avoid conflicts with religious holidays, it is not possible to accommodate the course schedule around every holiday. In cases when conflicts are unavoidable, it is your responsibility to notify the instructor of the conflict **two weeks prior** to missing a class requirement so that special arrangements can be made for substituting those experiences where permitted. Additional information can be found on the Penn State Center for Ethics and Religious Affairs Website located at [www.sa.psu.edu/cera/calendars.shtml](http://www.sa.psu.edu/cera/calendars.shtml) (and click on “Interfaith Holiday Listing”).

Academic Integrity Statement

According to Faculty Senate Policy 49-20, “Academic integrity is the pursuit of scholarly activity in an open, honest and responsible manner. Academic integrity is a basic guiding principle for all academic activity at The Pennsylvania State University, and all members of the University community are expected to act in accordance with this principle. Consistent with this expectation, the University's Code of Conduct states that all students should act with personal integrity, respect other students' dignity, rights and property, and help create and maintain an environment in which all can succeed through the fruits of their efforts.”

Dishonesty of any kind will not be tolerated in this course. Dishonesty includes, but is not limited to, cheating, plagiarizing, fabricating information or citations, facilitating acts of academic dishonesty by others, submitting work of another person or work previously used without informing the instructor, or tampering with the academic work of other students. Students who are found to be dishonest will receive academic sanctions, will be removed from the Women’s Leadership Initiative, and will be reported to the College of Health and Human Development and/or the University’s Office of Student Conduct for possible further disciplinary sanction.

Note to Students with Disabilities

Penn State welcomes students with disabilities into the University's educational programs. If you have a disability-related need for modifications or reasonable accommodations in this course, contact the Office for Disability Services (ODS), located at 116 Boucke Building at 1-814-863-1807 (V/TTY). For further information regarding ODS, please visit their website at [www.equity.psu.edu/ods](http://www.equity.psu.edu/ods). Instructors should be notified as early in the semester as possible regarding the need for modification or reasonable accommodations.

Diversity Statement

“With our focus on the improvement of the quality of individuals' lives within their families and communities, the College of Health and Human Development naturally places the understanding of diversity in a central position in both its mission and vision. Through teaching, research, and outreach programs, we strive to communicate the importance of diversity to both College and community members. “Diversity” is broadly defined by the College as “human differences,” including differences in age, social class, disability, race, ethnicity, immigrant status, gender, gender expression, religion, veteran status, and sexual orientation.”
Syllabus Subject to Change

The Women’s Leadership Initiative is built upon the contributions of many individuals and groups. New opportunities emerge on a continuing basis. For those reasons, the syllabus may be subject to change periodically during the semester. If a change occurs, you will be notified by e-mail, using your PSU account, and at the next gathering of the group. No change will result in increased requirements.

Final Note

You are beginning a wonderful year of personal and professional leadership growth. Enjoy every moment and seize every opportunity. We look forward to working with you.
