

HANNAH M. C. SCHREIER

THE PENNSYLVANIA STATE UNIVERSITY ♦ DEPARTMENT OF BIOBEHAVIORAL HEALTH
206 BIOBEHAVIORAL HEALTH BUILDING ♦ UNIVERSITY PARK, PA ♦ 16802
PHONE: 814.863.5767 ♦ EMAIL: hannah.schreier@psu.edu

EDUCATION

- 2023 **The Pennsylvania State University** (University Park, Pennsylvania)
Graduate Certificate – Business Management Foundations
- 2008 – 2012 **University of British Columbia** (Vancouver, British Columbia)
Doctor of Philosophy in Psychology
- 2006 – 2008 **University of British Columbia** (Vancouver, British Columbia)
Master of Arts in Psychology
- 2003 – 2006 **McGill University** (Montréal, Québec)
Bachelor of Arts; First Class Honours

PROFESSIONAL EXPERIENCE

- 2021 – present **The Pennsylvania State University** (University Park, Pennsylvania)
Associate Professor with tenure, Department of Biobehavioral Health
- 2015 – 2021 **The Pennsylvania State University** (University Park, Pennsylvania)
Assistant Professor, Department of Biobehavioral Health
- 2012 – 2015 **Icahn School of Medicine at Mount Sinai** (New York, New York)
Postdoctoral Fellow, Department of Pediatrics

SELECT AWARDS

- | | | |
|------------|---|---|
| 2021 | Ann C. Crouter Early Career Faculty Award | College of Health and Human Development, Penn State |
| 2014 | Researcher of the Year 2013-2014 | Centre of Excellence for Early Childhood Development |
| 2013 | Young Investigator Colloquium Award | American Psychosomatic Society |
| 2009-2012 | Vanier Canada Graduate Scholarship | Social Sciences and Humanities Research Council (SSHRC) |
| 2009-2012* | Killam Doctoral Scholarship | University of British Columbia |
| 2009-2012* | Four Year Fellowship | University of British Columbia |
| 2008 | Young Scholar Award | American Psychosomatic Society |
| 2007-2009 | Pacific Century Graduate Scholarship | University of British Columbia |
| 2007 | University Graduate Fellowship | University of British Columbia |
| 2007 | Grace Fellowship | University of British Columbia |
| 2006 | Graduate Entrance Scholarship | University of British Columbia |
| 2006* | Mr. & Mrs. Harry Colle Award | McGill University |
| 2006* | Dow-Hickson Scholarship | McGill University |
| 2006* | James McGill Award | McGill University |
| 2005 | Dow-Hickson Scholarship | McGill University |

2005	Bertha Lapitsky Award	McGill University
2004-2005	James McGill Award	McGill University * in name only

TRAINEE AWARDS

2021	Caitlin Givens – Excellence in Graduate Recruitment Award Department of Biobehavioral Health, The Pennsylvania State University
2021	Aishwarya Ganguli – Poster Trainee Recognition Award International Society for Psychoneuroendocrinology
2020	Emily Jones – Gerald E. McClearn Graduate Student Award Department of Biobehavioral Health, The Pennsylvania State University
2020-2021	Emily Jones – Edward R. & Helen Skade Hintz Graduation Enhancement Fellowship Award Department of Biobehavioral Health, The Pennsylvania State University
2020-2021	Aishwarya Ganguli – Excellence in Graduate Recruitment Award Department of Biobehavioral Health, The Pennsylvania State University
2020-2024	Aishwarya Ganguli – Ford Doctoral Student Professional Development Endowment Department of Biobehavioral Health, The Pennsylvania State University
2019-2024	Fernanda Lugo – Dean’s Distinguished Graduate Scholarship The Pennsylvania State University
2019-2021	Emily Jones – Ruth L. Kirschstein Predoctoral Award (F31) NIH – NHLBI
2019	Emily Jones - Limited Endowed Funds for Dissertation Research College of Health & Human Development, The Pennsylvania State University
2019 – 2020	Emily Jones – Edward R. & Helen Skade Hintz Graduation Enhancement Fellowship Award Department of Biobehavioral Health, The Pennsylvania State University
2019	Emily Jones – Dissertation Award Department of Biobehavioral Health, The Pennsylvania State University
2019	Emily Jones – Graduate Student Research Award Department of Biobehavioral Health, The Pennsylvania State University

UNIVERSITY SERVICE

2023-present	Graduate Program Committee
2019-2021	Department of Biobehavioral Health, The Pennsylvania State University Member
2021-2022	Search Committee: Caring and Compassion, BBH Hire Department of Biobehavioral Health, The Pennsylvania State University Member
2020-2022	Advancing Academics of Color – Recruitment & Retention Subcommittee Child Maltreatment Solutions Network, The Pennsylvania State University Member
2019-2022	Website & Communications Committee Child Maltreatment Solutions Network, The Pennsylvania State University Member
2016-2021	Reviewer; Schreyer Honors College applicants Schreyer Honors College, The Pennsylvania State University

- 2018-2020 Advisory Committee
 Department of Biobehavioral Health, The Pennsylvania State University
 Elected junior faculty representative
- 2018-2019 Search Committee: Consortium for Combating Substance Abuse, BBH Co-Hire
 Department of Biobehavioral Health, The Pennsylvania State University
 Member
- 2018-2019 Faculty Development Committee
 Department of Biobehavioral Health, The Pennsylvania State University
 Elected faculty representative
- 2017-2019 Undergraduate Program Committee
 Department of Biobehavioral Health, The Pennsylvania State University
 Member
- 2016-2017 Search Committee: Biobehavioral Health – Quantitative Methods Position
 Department of Biobehavioral Health, The Pennsylvania State University
 Member
- 2015-2017 Diversity and Sustainability Committee
 Department of Biobehavioral Health, The Pennsylvania State University
 Member
- 2012-2015 Postdoctoral Executive Committee
 Icahn School of Medicine at Mount Sinai
 Member
- 2009-2010 Graduate Student Council
 Department of Psychology, University of British Columbia
 Co-President
- 2008-2012 Graduate Student Council
 Department of Psychology, University of British Columbia
 Member

PROFESSIONAL SERVICE

- 2021 Ad-hoc study section member
 PDRP - National Institutes of Health
- 2016-present Ad-hoc conference abstract reviewer
 American Psychosomatic Society
- 2016 Ad-hoc grant reviewer
 The Social Science Research Institute, The Pennsylvania State University
- 2016 Ad-hoc grant reviewer
 NY and NJ Occupational Safety & Health Center, Research Training Program
- 2007-present Ad-hoc reviewer

EDITORIAL ACTIVITIES

2021-present Associate Editor
Biological Psychology

MEMBERSHIP

American Psychosomatic Society
Association for Psychological Science
International Society of Psychoneuroimmunology
Society for Research on Adolescence

CURRENT GRANTS

Co-Investigator & Project 1 PI, Eunice Kennedy Shriver National Institute of Child Health and Human Development, “Penn State University’s Translational Center for Child Maltreatment Studies (TCCMS),” 2023-2027. (MPIs: Connell, Jackson; competitive renewal of P50HD089922; \$8,855,070 (total)).

Principal Investigator, National Heart, Lung, and Blood Institute, “Prospective, Longitudinal Associations Between Child Maltreatment, Immune Function, and Cardiovascular Disease Risk” 2022-2025 (R01HL158577; \$2,420,784 (total)).

Principal Investigator, National Heart, Lung, and Blood Institute, “Early Psychosocial Intervention and Child and Parent Cardiovascular Disease Risk,” 2017-2023 (R01HL137809; \$2,407,452 (total)).

Co-Investigator, National Heart, Lung, and Blood Institute, “The effects of pandemic-related stressors on change in CVD risk: The protective role of universal prevention,” 2023-2027. (MPIs: Graham-Engeland, Feinberg; R01HL167642; \$2,863,372 (total)).

Co-Investigator, Eunice Kennedy Shriver National Institute of Child Health and Human Development, “The Pennsylvania Adoptees Longitudinal Study (PALS),” 2019-2024. (PI: Allen; R01HD097707; \$3,838,836 (total)).

Co-Investigator, Eunice Kennedy Shriver National Institute of Child Health and Human Development, “Parent Self-Regulation, Parent-Child Coregulation, and Harsh Discipline,” 2019-2024. (PI: Lunkenheimer; R01HD097189; \$2,657,916 (total)).

Multiple Principal Investigator & Track Lead, Eunice Kennedy Shriver National Institute of Child Health and Human Development, “Creating the Next Generation of Scholars in Child Maltreatment Science,” 2020-2025. (MPIs: Schreier, Jackson; T32; \$1,728,321 (total)).

GRANTS UNDER REVIEW

Co-Investigator, Eunice Kennedy Shriver National Institute of Child Health and Human Development, “The Behaviors, Emotions, and Childhood Health (BEACH) Study,” 2024-2029. (PI: Allen; R01).

PAST GRANTS

Co-Investigator & Project 1 MPI, Eunice Kennedy Shriver National Institute of Child Health and Human Development, “Penn State University’s Translational Center for Child Maltreatment Studies (TCCMS),” 2017-2023. (PI: Noll; P50HD089922; \$7,716,839 (total)).

- Multiple Principal Investigator**, Consortium to Combat Substance Abuse, The Pennsylvania State University, “From genes to behavior: Translational investigations into the long-term effects of adolescent nicotine exposure on brain function and behavior” 2021-2022. (MPIs: Gould, Claus, Zhang, Schreier; internal seed grant; \$38,000).
- Multiple Principal Investigator**, Eunice Kennedy Shriver National Institute of Child Health and Human Development, “Understanding physiological and psychosocial determinants of vulnerability and resilience towards COVID-19 infection among high-risk youth” 2020-2022. (MPIs: Schreier, Noll; administrative supplement; \$321,000 (total)).
- Sponsor**, National Heart, Lung, and Blood Institute, “Physiological Well-Being and Chronic Disease Risk Among First-Generation College Students,” 2019-2021. (PI: Jones; F31HL149179; \$71,108 (total)).
- Co-Investigator**, The Social Science Research Institute at The Pennsylvania State University, “The Role of Executive Cognition and Stress Physiology in School-Based Intervention Outcomes in Low Income Urban Youth,” 2018-2020. (PI: Fishbein; internal seed grant; \$19,975).
- Principal Investigator**, Department of Biobehavioral Health at The Pennsylvania State University, “Immunocompetence Among 8-13 Year Olds With and Without a History of Child Maltreatment,” 2018-2019. (Internal seed grant; \$9,634).
- Principal Investigator**, The Social Science Research Institute at The Pennsylvania State University, “Perinatal Coparenting Intervention and Cardiovascular Disease Risk,” 2016-2018. (Internal seed grant; \$22,490).
- Co-Investigator**, The Social Science Research Institute at The Pennsylvania State University, “Prevention of Commercial Sexual Exploitation (“Trafficking”) of Children in a Child Welfare Population,” 2016-2017. (Internal seed grant; \$4,996).

INVITED PRESENTATIONS

- Schreier, H. M. C.** (2022). The influence of youth's social environments and experiences on inflammation and cardiovascular disease risk. Invited talk presented at the 52nd annual meeting of the International Society of Psychoneuroendocrinology, Chicago, IL.
- Schreier, H. M. C.** (2022). Early life experiences and risk and resilience among youth during the COVID-19 pandemic. Invited talk presented as part of an online symposium by the Association for Psychological Science's "Psychology Meets Biology" task force.
- Heim, C. M. & **Schreier, H. M. C.** (2020). Consultation about neurodevelopmental underpinnings of developmental trauma. Invited workshop at the 31st International Boston Trauma Conference, Boston, MA. (note: in-person conference was canceled due to COVID-19).
- Schreier, H. M. C.** (2017). Socioeconomic health disparities in children and adolescents. Invited talk presented at the 2017 Academy of Behavioral Medicine Research Annual Meeting, Santa Fe, NM.
- Schreier, H. M. C.** (2015). Physiological consequences of trauma: effects during pregnancy and possibilities for social interventions. The 4th Annual Conference on Child Protection and Well-Being: New Frontiers in the Biology of Stress, Maltreatment, and Trauma. University Park, PA.

PRESENTATIONS

* trainee author

- Ganguli*, A., Givens*, C., Heim, C.M., Noll, J., Shalev, I., Shenk, C., & **Schreier, H.M.C** (2023). The moderating role of social support in the association between child maltreatment and physical health. Poster presented at the 30th annual meeting of Psychoneuroimmunology Research Society, Boulder, CO, USA.
- Hastings, W., Fox, N., Heim, C. M., Nelson, C., Noll, J., **Schreier, H.M.C.**, Shenk, C., Zeanah, C., Drury, S., & Shalev, I. (2023). Investigating biological aging and pubertal development in two high-risk pediatric cohorts. Paper presented at the annual meeting of the Society for Research in Child Development, Salt Lake City, UT.
- Olson, A., Chow, S.-M., Bai, S., Noll, J., Fisher, Z., Heim, C.M., **Schreier, H.M.C.**, Shalev, I., & Shenk, C. (2023). Caregiver-child communication following child maltreatment: A dynamic systems approach. Paper presented at the annual meeting of the Society for Research in Child Development, Salt Lake City, UT.
- Ganguli*, A., Feinberg, M.E., & **Schreier, H.M.C** (2022) Associations between parent childhood socioeconomic status and offspring health outcomes: Possible moderation by participation in a co-parenting intervention. Poster presented at the 79th annual meeting of American Psychosomatic Society, Long Beach, CA, USA.
- Ganguli*, A., Jones*, E.J., Feinberg, M.E., **Schreier, H.M.C.** (2021) Association between parent work-family conflict and offspring inflammation. Poster presented virtually at the 51st annual meeting of the International Society of Psychoneuroendocrinology.
- Jones*, E.J., Wadsworth, M. E., Smyth, J. M. & **Schreier, H. M. C.** (2020). Both College Generation Status and Childhood Adversity Predict College Adjustment. Poster was accepted to be

- presented at the 32nd Association for Psychological Science Convention, Chicago, IL (note: conference was canceled due to COVID-19).
- Jones*, E.J., Rohleder, N., & **Schreier, H. M. C.** (2020). Neuroendocrine coordination and youth behavior problems: A review of studies assessing sympathetic nervous system and hypothalamic-pituitary adrenal axis activity using salivary alpha amylase and salivary cortisol. Poster was accepted to be presented at the 78th American Psychosomatic Society Convention, Long Beach, CA (note: conference was canceled due to COVID-19).
- Hammen*, H., Hadley, J., Heim, C. M., Rose, E. J., Shalev, I., Shenk, C., Noll, J. G. & **Schreier H. M. C.** (2020). Child maltreatment, immune function, and the possible moderating role of physical activity. Poster presented at the Annual Undergraduate Exhibition at the Pennsylvania State University, University Park, PA.
- Rose E. J., Picci, G., Bernier, R. A., **Schreier, H. M. C.**, Shalev, I., Shenk, C. E., Heim, C., & Noll, J. G. (2019). Neurobiological embedding of recent or concurrent child maltreatment in connectivity patterns. Poster presented at the 7th Annual Flux Congress Meeting, New York City, New York.
- Picci, G., Bernier, R. A., Heim, C., **Schreier, H. M. C.**, Shalev, I., Shenk, C. E., Noll, J. G., & Rose, E. J. (2019). Can short-term neurobiological embedding of child maltreatment be detected in connectivity patterns? Poster presented at the 25th annual meeting of the Organization for Human Brain Mapping, Rome, Italy.
