

**CURRICULUM VITAE**  
**Michele McClellan Stine**

**Work**

120 Biobehavioral Health Bldg.  
The Pennsylvania State University  
University Park, PA 16802  
Phone: (814) 863-7256  
Email: mstine@psu.edu

**Home**

1506 N. Allen St.  
State College, PA 16803  
Phone: (814) 360-9617

**Education**

**Degree**

**Year**

**Field**

**Professional/Research Experience**

|              |   |
|--------------|---|
| 2022-present | Teaching Professor, Department of Biobehavioral Health  |
| 2018-2022    | Associate Teaching Professor, Department of Biobehavioral Health  |
| 2015-2018    | Assistant Professor of Teaching and Lead Academic Adviser, Department of Biobehavioral Health, PSU  |
| 2012-2014    | Senior Instructor and Academic Advisor, Department of Biobehavioral Health, PSU   |
| 2010-2012    | Instructor and Pre-Major Adviser, Department of Biobehavioral Health, PSU   |
| 2007-2008    | Instructor, Continuing Education, Penn State Altoona  |
| 2004-2005    | Postdoctoral Research Scholar, Department of Biobehavioral Health, The Pennsylvania State University (PSU; Supervisor: Dr. Sonia Cavigelli) |
| 2003         | Instructor, Department of Psychology, PSU   |
| 2002-Present | Instructor, Department of Biobehavioral Health, PSU   |
| 1999-2004    | Research Assistant, Department of Biobehavioral Health, PSU (Advisor: Dr. Laura C. Klein)   |
| 1999         | Research Assistant, Department of Biobehavioral Health, PSU (Advisor: Dr. Lynn T. Kozlowski)  |
| 1998         | Instructor, Department of Biobehavioral Health, PSU   |
| 1997-1999    | Teaching Assistant, Department of Biobehavioral Health, PSU   |

Michele McClellan Stine

1997 Research Assistant, Department of Biobehavioral Health, PSU (Advisor: Dr. Lynn T. Kozlowski).

### **Grants and Awards**

2018 Schreyer Institute for Teaching Excellence Teaching Conference Grant

2012 Biobehavioral Health Alumni Mentorship Award, Biobehavioral Health APG

2011 Biobehavioral Health Undergraduate Teaching Award, Biobehavioral Health Department, University Park, PA (\$1000 salary release funds)

2003 Health and Human Development Endowed Graduate Fellowship, College of Health and Human Development, PSU, University Park, PA

2002 Research materials, Mallinckrodt Chemicals, Inc., St. Louis, MO (\$15,000)

2002 Research Assistantship, National Institute on Drug Abuse, Bethesda, MD (PI-Laura C. Klein)

2000-2001 Research Assistantship, General Clinical Research Center, PSU, University Park, PA

2000 Research materials, Wampole Laboratories, Cranberry, New Jersey (\$286).

1997-present Graduate Student Teaching Assistantship, Department of Biobehavioral Health, PSU, University Park, PA

1997-1998 Graduate Student Research Assistantship, Department of Biobehavioral Health, PSU, University Park, PA

1994 Phi Kappa Phi Honor Society

1990 Kappa Delta Pi Education Honor Society

### **Scholarly Works**

Doctoral Thesis: *Effects of Early Methylphenidate Treatment on Nicotine Consumption in Periadolescent C57BL/6J Mice*. Department of Biobehavioral Health, The Pennsylvania State University. Advisor: Dr. Laura C. Klein

Master's Thesis: *Alcohol Use Among Seventh Grade Students and the Effects of Alcohol Advertising*. Department of Health Education, The Pennsylvania State University. Advisor: Dr. Mary Nicholson

### **Scientific Publications**

Cavegelli, S.A., **Stine, M.M.**, Jefferson, A., & Deip, M.N. (2007). Behavioral inhibition and glucocorticoid dynamics in a rodent model. *Psychology and Behavior*, 92(5):897-905.

Michele McClellan Stine

Maney, D.M., Klein, L.C., Gates, S.C., **Stine, M.M.**, & Treece, J.L. (2004) Biobehavioral differences among college students: The influence of tobacco smoking. *PA Journal of Health, Physical Education, Recreation, and Dance, (Fall Issue)*, 53-58.

Klein, L.C., **Stine, M.M.**, Vandenberg, D.J., Whetzel, C.A., & Kamens, H.M. (2004). Sex differences in voluntary oral nicotine consumption by adolescent mice: A dose-response experiment. *Pharmacology Biochemistry and Behavior*, 78(1), 13-25.

Klein, L.C., Corwin, E.J., & **Stine, M.M.**, (2003). Smoking abstinence impairs time estimation accuracy in cigarette smokers. *Psychopharmacology Bulletin*, 37, 90-95.

Klein, L.C., **Stine, M.M.**, Pfaff, D.W., & Vandenberg, D.J. (2003). Maternal nicotine exposure nicotine preference in periadolescent male but not female C57Bl/6J mice. *Nicotine & Tobacco Research*, 5, 117-124.

**Stine, M.M.**, O'Connor, R.J., Yatko, B.R., Grunberg, N.E., & Klein, L.C. (2002). Evidence for a relationship between daily caffeine consumption and accuracy of time estimation. *Human Psychopharmacology: Clinical and Experimental*, 17(7), 361-367.

Kozlowski, L.T., Yost, B.A., **Stine, M.M.**, & Celebucki, C. (2000). Massachusetts' advertising against Lights appears to change beliefs about Lights. *American Journal of Preventive Medicine*, 18(4), 339-342.

Kozlowski, L.T., Goldberg, M.E., Sweeney, C.T., Palmer, R.F., Pilliteri, J.L., Yost, B.A., White, E.L., & **Stine, M.M.** (1999). Smoker reactions to a "radio message" that Light cigarettes are as dangerous as Regular cigarettes. *Nicotine & Tobacco Research*, 1, 67-76.

### **Published Abstracts**

Guaderrama, M. M., Susman, E. J., Corwin, E. J., **Stine, M. M.**, & Klein, L. C. (2010). Cortisol and oxytocin responses to stress among women who binge-drink alcohol depend on oral contraceptive use. *Psychosomatic Medicine*, 72(3), A85.

Klein, L.C., Bennett, J.M., Kambhampati, S.K., Corwin, E.J, **Stine, M.M.**, Deitch, H., Taylor, S.E., & Seeman, T.E. (2008). *Undiagnosed thyroid disease elevates baseline cortisol levels in asymptomatic young men and women*. Presented at the annual meeting of the American Psychosomatic Society, Baltimore, MD. *Psychosomatic Medicine*, 70(3), A-92.

Klein, L.C., **Stine, M.M.**, & Vandenberg, D.J. (2002). Establishing a mouse model of adolescent nicotine consumption. Presented at the annual meeting of the Society for Biological Psychiatry, Philadelphia, PA. *Biological Psychiatry*, 51, 39S. **Invited Presentation.**

**Stine, M.M.**, Klein, L.C., & Yatko, B.R. (2001). Daily caffeine use alters time perception. Presented at the annual meeting of the Society for Behavioral Medicine, Seattle, WA. *Annals of Behavioral Medicine*, 23, S148.

Michele McClellan Stine

Yatko, B.R., Grunberg, N.E., **Stine, M.M.**, & Klein, L.C. (2001). Perceived stress and subjective passage of time. Presented at the annual meeting of the Society for Behavioral Medicine, Seattle, WA. *Annals of Behavioral Medicine*, 23, S085.

Klein, L.C., Lerner, J.S., & **Stine, M.M.** (2000). Chronic anger, perceived health risks, and tobacco use. Presented at the annual meeting of the Society of Behavioral Medicine, Nashville, TN. *Annals of Behavioral Medicine*, 22, S182.

Kozlowski, L.T., **Stine, M.M.**, Goldberg, M., Yost, B., & Celebucki, C. (1999). Effects of different questioning procedures on perceived risks of smoking Light and Ultra-Light cigarettes. Presented at the annual meeting of the Society of Behavioral Medicine Conference, San Diego, CA. *Annals of Behavioral Medicine*, 21, S188.

Kozlowski, L.T., Palmer, R., Pilliteri, J., Sweeney, C.T., **Stine, M.M.**, Strasser, A.A., & Yost, B. (1998). Experimental evidence that smokers smoke Light cigarettes for health. Presented at the annual meeting of the Society of Behavioral Medicine, New Orleans, LA. *Annals of Behavioral Medicine*, 20, S169.

**Stine, M.M.**, Kozlowski, L.T., Yost, B.A., White, E.L., & Sweeny, C.T. (1998). Possible bias in multiplicity sampling in health surveys. Presented at the annual meeting of the Society of Behavioral Medicine, New Orleans, LA. *Annals of Behavioral Medicine*, 20, S173.

### **Scientific Presentations**

Klein, L.C., Whetzel, C.A., **Stine, M.M.**, Corwin, E.J., Taylor, S.E., Seeman, T.E. (2007 March). *DHEA-S decreases in response to acute stress in healthy men and women: An additional biomarker for stress?* Presented at the annual meeting of the Society for Behavioral Medicine, Washington D.C.

Foreman, J.E., Klein, L.C., **Stine, M.M.**, & Vandenberg, D.J. (2006 September) *A Network of Nicotine Regulated Genes in Adolescent Mice Nucleus Accumbens*. Presented at the annual Neuroscience Day, Penn State Hershey College of Medicine, Hershey, Pennsylvania.

Cavigelli, SA, **Stine, MM**, Jefferson, A, & Diep, M. (2006 June). *Behavioral response to novelty predicts circulating glucocorticoid concentrations one-day later*. Presented at the annual meeting of the Society for Behavioral Neuroendocrinology, Pittsburgh, Pennsylvania.

Foreman, J.E., Klein, L.C., **Stine, M.M.**, & Vandenberg, D.J. (2006) *Network Analysis of Nicotine Regulated Genes in Adolescent Mice*. Society for Neuroscience, Atlanta, GA.

**Stine, M.M.** & Klein, L.C. (2005 March). *The Effects of Early Methylphenidate Treatment on Nicotine Consumption in Adolescent C57BL/6J Male Mice*. Submitted for presentation at the annual meeting of the Society for Research on Nicotine and Tobacco, Prague, Czech Republic.

Klein, L.C., **Stine, M.M.**, Vandenberg, D.J., & Whetzel, C.A. (2005 March). *Voluntary nicotine consumption is dependent on age and sex in mice*. Presented at the annual meeting of the Society for Research on Nicotine and Tobacco, Prague, Czech Republic.

Vandenberg, D.J., Mong, J., Klein, L.C., **Stine, M.M.**, Pfaff, D., Vogler, G.P., Callegari F., & Chiaromonte, F. (2004 April). *Sex-specific patterns of gene expression in response to nicotine in neonatal mouse brains*. Presented to the Transdisciplinary Tobacco Use Research Center, University of Pennsylvania, Philadelphia, PA.

Michele McClellan Stine

**Stine, M.M.**, Dancer, K.P., Palmer, K.S., Grunberg, N.E., Klein, L.C. (2004 February). *Locomotor responses to nicotine in adolescent rats predict opioid consumption in adulthood*. Presented at the annual meeting of the Society for Research on Nicotine and Tobacco, Scottsdale, AZ.

Ceballos, R.M., **Stine, M.M.**, Kamens, H.M., Whetzel, C.a., DeNucci, C., Bonner, J., & Klein, L.C. (2004 February). *Forced and voluntary oral nicotine consumption do not influence body weight gain in adolescent mice*. Presented at the annual meeting of the Society for Research on Nicotine and Tobacco, Scottsdale, AZ.

Klein, L.C., **Stine, M.M.**, & Vandenberg, D.J. (2003 August). *Nicotine consumption in mice is influenced by age and sex*. Presented at the 111<sup>th</sup> annual meeting of the American Psychological Association, Toronto, Canada. **Invited symposium presentation supported by the National Institute on Drug Abuse.**

Ritter, F.E., Klein, L.C., Quigley, K.S., Councill, I.G., Avraamides, M.N., Whetzel, C., Simpson, K., **Stine, M.M.**, Ceballos, R.M., Morgan, G., & Gandhi, M. (2003 July). *Using cognitive modeling to study behavior moderators: Pre-task appraisal, anxiety and later, caffeine*. Presented at the 10<sup>th</sup> annual ACT-R Workshop, Pittsburgh, PA. (ACT-R Workshop: <http://act-r.psy/cmu.edu/>).

Vandenberg, D.J., Mong, J., Klein, L.C., **Stine, M.M.**, Pfaff, D., & Vogler, G.P. (2003 March). *Prenatal exposure to nicotine causes different patterns of gene expression in male and female mice*. Presented at the annual meeting of the Society for Women's Health Research, Winston-Salem, NC.

Klein, L.C., Ceballos, R.M., **Stine, M.M.**, Vandenberg, D.J., Kamens, H., Ellis, C. (2003 February). *Choice oral nicotine consumption decreases body weight in adult but not adolescent C57Bl/6J mice*. Presented at the 9<sup>th</sup> annual meeting of the Society for Research on Nicotine and Tobacco, New Orleans, LA.

**Stine, M.M.** & Klein, L.C. (2003 February). *Repeated early methylphenidate exposure alters nicotine consumption by periadolescent C57Bl/6J male mice*. Presented at the 9<sup>th</sup> annual meeting of the Society for Research on Nicotine and Tobacco, New Orleans, LA.

Vandenberg, D.J., Mong, J., Klein, L.C., **Stine, M.M.**, & Pfaff, D. (2003 February). *Sex differences in genome-wide transcriptional response to nicotine exposure in utero*. Presented at the 9<sup>th</sup> annual meeting of the Society for Research on Nicotine and Tobacco, New Orleans, LA.

Kamens, H.M., **Stine, M.M.**, Ellis, C., Saltsman, B., & Klein, L.C. (2002 April). *Sex differences in saccharin consumption in periadolescent mice*. Presented at the Pennsylvania State University Undergraduate Research Exhibition, University Park, PA.

Ceballos, R.M., Vandenberg, D.J., **Stine, M.M.**, Pfaff, D.W., & Klein, L.C. (2002 February). *Chronic nicotine exposure, serum leptin, and body weight in female mice*. Presented at the 8<sup>th</sup> annual meeting of the Society for Research on Nicotine and Tobacco, Savannah, GA.

Klein, L.C., **Stine, M.M.**, Pfaff, D.W., & Vandenberg, D.J. (2002 February). *Maternal nicotine exposure in mice alters health outcomes and later nicotine preference in adolescent offspring*. Presented at the 8<sup>th</sup> annual meeting of the Society for Research on Nicotine and Tobacco, Savannah, GA.

Michele McClellan Stine

Klein, L.C., **Stine, M.M.**, & Vandenberg, D.J. (2002 February). *A mouse model of adolescent nicotine consumption*. Presented at the 8<sup>th</sup> annual meeting of the Society for Research on Nicotine and Tobacco, Savannah, GA.

**Stine, M.M.**, Corwin, E.J., & Klein, L.C. (2002 February). *Differences in time estimation among smokers, abstinent smokers, and nonsmokers*. Presented at the 8<sup>th</sup> annual meeting of the Society for Research on Nicotine and Tobacco, Savannah, GA.

Ritter, F.E., Avraamides, M.N., Councill, I., Quigley, K.S., Klein, L.C., McNeese, M.D., Van Rooy, D., **Stine, M.M.**, & Rodrigues, I.M. (2002 January). *Modeling the effects of two behavior moderators in ACT-R*. Presented at the workshop on ACT-R models of Human-System Interaction, Mesa, AZ.

**Stine, M.M.**, Yatko, B.R., Klein, L.C. (2001 March). *Tobacco use and time perception in young adults*. Presented at the 7<sup>th</sup> annual meeting of the Society for Research in Nicotine and Tobacco, Seattle, WA.

Yatko, B.R., Klein, L.C., **Stine, M.M.**, & Grunberg, N.E. (2000 March). *Development of the Time and Sense survey*. Presented at the annual Uniformed Health Services University of Health Sciences Research Day, Bethesda, MD.

Kozlowski, L.T., **Stine, M.M.**, & Yost, B.A. (1999 March). *Massachusetts' advertising against Light cigarettes appears to change beliefs about Lights*. Presented at the 5<sup>th</sup> annual meeting of the Society for Nicotine and Tobacco Research Conference, San Diego, CA.

**Stine, M.M.** (1996 April). *Tanning behaviors, perception of risk, and intention to tan in adolescents and young adults*. Presented at the Bloomsburg Health Consortium, Bloomsburg University, Bloomsburg, PA.

### **Invited Lectures**

**Stine, M.M.** (2007 October). Attending a Scientific Meeting. Presented to the Biobehavioral Health Society, Penn State University, University Park, PA.

Klein, L.C. & **Stine, M.M.** (2005 June). Sex Differences in Biobehavioral Responses to Stress: "Tend-and-Befriend" versus "Fight-or-Flight" Presented to the Big Ten University Women's Clubs Annual Meeting, Penn State University, University Park, PA.

**Stine, M.M.** (2005 June). Stress and a Healthy Lifestyle. Presented to the Big Ten University Women's Clubs Annual Meeting, Penn State University, University Park, PA.

Klein, L.C. & **Stine, M.M.** (2004 April). Experimental Investigation of Sex Differences in Biobehavioral Responses to Stress: "Tend-and-Befriend" versus "Fight-or-Flight" Presented to the General Clinical Research Center Nursing staff, Penn State University, University Park, PA.

**Stine, M.M.** & Klein, L.C. (2003 July). *Of mice and men: Using animal models to understand adolescent nicotine addiction and drug abuse*. Presented at the Pennsylvania Governor's Institute for Life Sciences, Juniata College, Huntingdon, PA.

Michele McClellan Stine

Klein, L.C. & Stine, M.M. (2002 November). *Of mice and men: Using animal models to understand adolescent nicotine addiction*, Presented at the American Association for Laboratory Animal Science, Laboratory Animal Resources, The Pennsylvania State University, PA.

Klein, L.C. & Stine, M.M. (2002 July). *Of mice and men: Using animal models to understand adolescent nicotine addiction and drug abuse*. Presented at the Pennsylvania Governor's Institute for Life Sciences, Juniata College, Huntingdon, PA.

### **Professional Activities**

Member: American Public Health Association  
Division of Ethics  
Division of Alcohol, Tobacco, and Other Drugs

Ad Hoc Reviewer: *Health Psychology*  
*Nicotine and Tobacco Research*  
*Physiology and Behavior*  
*John Wiley & Sons Publishing*

Abstract Reviewer: 2003 Annual Scientific Meeting, Society for Research on Nicotine and Tobacco  
2004 Annual Scientific Meeting, Society for Research on Nicotine and Tobacco  
2005 Annual Scientific Meeting, Society for Research on Nicotine and Tobacco  
2005 Annual Scientific Meeting, Society of Behavioral Medicine  
2006 Annual Scientific Meeting, Society for Research on Nicotine and Tobacco

Capstone Project Advisor: Kaylin A. Kopcho, Fall 2005  
Project: *Cyclooxygenase-2 Selective Nonsteroidal Anti-inflammatory Drugs: An Overview of the Controversy That Rocked the Medical World*

Honors Thesis Advisor: Cara Stabile, January 2008-May 2009  
Thesis: *Avian Influenza: Sociocultural Barriers Surrounding the Implementation of Pandemic Response Plans in Aisa*

Advisor: Biobehavioral Health Society, Penn State University (2006-2022)

Faculty Liaison: Biobehavioral Health Affiliate Program Group, Penn State Alumni Association (2010-2016)

### **University Wide Service**

Immediate Past Chair, University Faculty Senate (2024-present)  
Tri-Chair, Collaborative on Academic Careers in Higher Education (COACHE) Survey Team (2024-present)  
Steering Committee, Academic Portfolio and Program Review (2024-present)  
Chair, University Faculty Senate (2022-2024)  
Co-Chair, Provost and Executive Vice President Search Committee (2023)  
Academic Leadership Council (2022-2024)  
Communications Advisory Group, University Faculty Senate (2021-2024)  
Administrative Committee on Undergraduate Education (2021-2024)  
Remote Learning Task Force (2021-2024)

Michele McClellan Stine  
 Faculty Senate Working Group on Communication Plan (2021)  
 Associate Vice President for Undergraduate Education Search (2021)  
 Transforming Education Steering Committee (2020-present)  
 Civic Engagement Collective (2020-present)  
 University Faculty Senate (2017-present)  
 Chair, Faculty Senate Committee on Education (2019-present)  
 Contingency for Continuity in Instruction Task Force (2020-2021)  
 Academic Policies and Procedures Task Force (2020)  
 University Wide Proctoring Tool Search Committee (2019-2021)  
 General Education Faculty Scholars (2016-2020)

### **College Wide Committees**

Steering Committee, Public Health Undergraduate Program (2024-present)  
 Curriculum Affairs Committee (2012-2022, Chair 2017-2018)  
 HHD Faculty Governance Committee (2017-present, Chair, 2019-2022)

### **Department Committees**

Newsletter Committee (2022-2023)  
 Fixed Term Promotion Committee (Chair, 2020-2021)  
 Undergraduate Program Committee (Current)  
 Department Graduation Celebration  
 Curriculum Committee  
 Internship Development  
 Colloquium (Chair, 2010)  
 Scholarships  
 Awards  
 Alumni Relations  
 Global Health Minor Admissions

### **Community Service and Outreach**

|           |   |
|-----------|---|
| 2021-2022 | State College Area School District League Representative, Laurel Mountain Hockey League   |
| 2018-2021 | Executive Board, Happy Valley Special Hockey  |
| 2017-2020 | Chair, Radio Park Elementary Pride Strides Fun Run  |
| 2004      | Instructor, Stress Management and Relaxation, AccuWeather Employee Health Promotion Program, State College, PA.   |
| 1997      | Racial Equity Task Force Educator, Bloomsburg Task Force on Racial Equity, Joint Committee: Bloomsburg University of Pennsylvania and the Town of Bloomsburg, Bloomsburg, PA. |
| 1993-1998 | HIV/AIDS Education Coordinator Volunteer, Caring Communities for AIDS, Bloomsburg, PA.  |

Michele McClellan Stine

## **Undergraduate Teaching Experience at Penn State University**

### Instructor in Psychology

Psychophysiology (PSY 456, now PSYCH 462)

### Instructor in Biobehavioral Health

Values and Ethics in Biobehavioral Health (BBH 301W)

Drugs, Behavior, and Health (BBH 143, World Campus, Altoona, and UP)

Biobehavioral Aspects of Stress (BBH 432, World Campus and UP)

Research and Applications in Biobehavioral Health (BBH 411W)

First Year Seminar: Health and Human Development (PSU 014)

Introduction to Biobehavioral Health (BBH 101, World Campus and UP)

Pharmacological Influences on Health (BBH 451)

Biobehavioral Health Colloquium” (BBH 590)

Health and Human Sexuality (BBH 146)

Behavior, Health, and Disease (BBH 119)

Foundations of Health Promotion (BBH 316)

Human Sexuality as a Health Concern (BBH 446)

Women’s Health (BBH 452)

### Guest Lectures in Biobehavioral Health

“Gender and ADHD” Course: Gender and Health (Fall 2009, Spring 2010)

“Ethanol Pharmacology” Course: Pharmacological Influences on Health (Fall 2008)

“Stress and Coping” Course: Biobehavioral Aspects of Stress (Fall 2008)

“Addiction” Course: Functional and Integrative Neuroscience (Spring 2008)

“Attention Deficit Hyperactivity Disorder Prevalence and Treatment” Course: Pharmacological Influences on Health (Fall 2007)

“Eating Behaviors and Disordered Eating” Course: Pharmacological Influences on Health (Fall 2007)

“Pain and Pain Management” Course: Introduction to Biobehavioral Health, Honors (Fall 2007)

“Stress Mechanisms and Health Outcomes” Course: Health & Disease (Summer, Fall 2006)

“Smoking and Stress,” Course: Biobehavioral Aspects of Stress (Fall 2004)

“Pain,” Course: Health & Disease (Spring 2004, 2003; Fall 2004, 2003)

“Opioids and Pain Control,” Course: Pharmacological Influences on Health (Fall 2003) & Interdisciplinary Integration in Biobehavioral Health (Spring 2006)

“Biobehavioral Aspects of Pain,” Courses: Introduction to Biobehavioral Health (Fall 2003, 2002; Spring 2003) & Drugs, Health and Society (Summer 2003)

“Stress, Eating, and Eating Disorders,” Course: Health and Disease (Fall 2003, 2002; Spring 2003)

“Eating Disorders,” Course: Introduction to Biobehavioral Health (Fall 2003, 2002; Spring 2003)

“Cigarette Smoking and Advertising,” Course: Pharmacological Influences on Health (Fall 1998)

“HIV and AIDS,” Course: Human Sexuality (Spring 2000)

Michele McClellan Stine

“Religious Freedom and Medical Treatment: Making Decisions for Children,” Course: Ethics in Health and Biobehavioral Research (Spring 2002)

Revised: January, 2025
