

CURRICULUM VITAE

Lynn M. Martire

Department of Human Development & Family Studies
 422 Biobehavioral Health Building
 The Pennsylvania State University
 University Park, PA 16802
 (814) 865-7374
imm51@psu.edu
 Lab website: <http://lynnmartire.weebly.com>

EDUCATION AND TRAINING

- 1997-1999 Postdoctoral Fellowship, Aging and Mental Health
 T32 MH19986, Department of Psychiatry, University of Pittsburgh School of Medicine
- 1997 Ph.D., Experimental/Social Psychology, Kent State University
- 1990 M.A., Psychology, California State University, Sacramento
- 1988 B.A., Psychology, California State University, Sacramento
- 1986 A.A., General Ed., Santa Rosa Junior College

APPOINTMENTS and POSITIONS

- 2021—present Training Director, *Pathways* T32 Program
 Penn State Center for Healthy Aging
- 2016—2021 Associate Training Director, *Pathways* T32 Program
 Penn State Center for Healthy Aging
- 2015—present Professor of Human Development and Family Studies,
 The Pennsylvania State University
- 2010—present Associate Professor of Human Development and Family Studies,
 The Pennsylvania State University
- 2010—present Faculty Affiliate, Penn State Center for Healthy Aging and
 Penn State Center for Health Care and Policy Research
- 2006—2010 Associate Professor of Psychiatry, University of Pittsburgh School of Medicine
- 1999—2010 Associate Director of Gerontology, University of Pittsburgh
- 1999—2006 Assistant Professor of Psychiatry, University of Pittsburgh School of Medicine

MEMBERSHIPS in PROFESSIONAL and SCIENTIFIC SOCIETIES

American Pain Society

2017-2018

Academy of Behavioral Medicine Research	2012-present
American Psychosomatic Society	2010-2018
American Association for Geriatric Psychiatry	2001-2007
American Psychological Association, Division 20 (Adult Development & Aging)	1998-present
American Psychological Association, Division 38 (Health Psychology)	1998-2015
Sigma Xi	1996-present
Gerontological Society of America	1994-present

HONORS

Fellow of the Association for Psychological Science	2018
Member, Academy of Behavioral Medicine Research	2012
University of Pittsburgh Honors Convocation	2008
Margret M. and Paul B. Baltes Foundation Award for Early Career Contributions in Behavioral and Social Gerontology, Gerontological Society of America	2007
Outstanding Contribution to Health Psychology Award (Junior level), Division 38 of the American Psychological Association	2006
Fellow of the American Psychological Association	2006
Early Career Achievement Award in Research on Adult Development & Aging, Division 20 of the American Psychological Association	2004
Fellow of the Gerontological Society of America	2003
Junior Faculty Scholars Program, Dept. of Psychiatry, University of Pittsburgh	1999-2001
Research Award at the Postdoctoral Level, Division 20 of the American Psychological Association & the Retirement Research Foundation	1998
Invited Participant, Summer Institute on Aging Research, National Institute on Aging	1998
Invited Participant, Summer Research Institute in Geriatric Psychiatry, NIMH and the American Association of Geriatric Psychiatry	1998
Dissertation Award, Behavioral and Social Sciences Section of the Gerontological Society of America	1997
American Psychological Association Student Travel Award	1996, 1997

PUBLICATIONS

Boyd, H., You, D.S., Nguyen, A., Connoy, L., Ahuja, D., Chambers, C.,...**Martire**, L.M. et al. (published online 2/5/25). Clinician and researcher responses to the term pain catastrophizing and whether new terminology is needed: Content analysis of international, cross-sectional, qualitative survey data. *The Journal of Pain*.

Huang, Y., **Martire**, L.M., & Jones, D. (in press as of 1/23/25). Four-year loneliness trajectory and its predictors in older adults. *The Gerontologist*.

Martire, L.M., Reis, H.R., Felt, J.M., & Huang, Y. (in press as of 12/5/24). Relationship closeness in the context of chronic pain: Daily benefits and challenges for partners. *Health Psychology*.

Kang, J., Graham-Engeland, J.E., **Martire**, L.M., Almeida, D.M., & Sliwinski, M.J. (in press as of 7/18/24). Short-term coupling associations between state loneliness and cognitive performance in daily life among older adults. *Journals of Gerontology Series B: Psychological and Social Sciences*.

Nah, S., **Martire**, L.M., & Felt, J.M. (in press as of 3/31/24). Effects of receiving pain-related support on psychological well-being: The moderating roles of emotional responses to support. *Journal of Aging and Health*.

Cho, Y., Chow, S-M., Marini, C.M., & **Martire**, L.M. (in press as of 3/13/24). Multilevel latent differential structural equation model with short time series and time-varying covariates: A comparison of frequentist and Bayesian estimators. *Multivariate Behavioral Research*.

Wilson, S.J., Novak, J., Yorgason, J., **Martire**, L.M., & Lyons, K. (2023). New opportunities for advancing dyadic health science in gerontology. *The Gerontologist*.
<https://doi.org/10.1093/geront/gnac187>

Webster, F., Connoy, L., Longo, R., Ahuja, D., Amtmann, D., Anderson, A,...**Martire**, L.M.,...Darnall, B.D. (2023). Patient responses to the term pain catastrophizing: Thematic analysis of cross-sectional international data. *Journal of Pain*, 24, 356-367.

Contemporary Biopsychosocial Research in Aging (HDFS 579)
Department of Human Development and Family Studies, Penn State University

Family Relationships (HDFS 418)
Department of Human Development and Family Studies, Penn State University

Family Relationships and Health (HDFS 546)
Department of Human Development and Family Studies, Penn State University

Family Caregiving in the Community and Long-Term Care (Directed Study), Summer 2005
Gerontology Certificate Program, College of General Studies, University of Pittsburgh

Psychiatric Epidemiology, Spring 2002 (Team-taught)
Graduate School of Public Health, University of Pittsburgh

Social Psychology, Fall 1996
Department of Psychology, Kent State University

Writing in Psychology, Fall 1996
Department of Psychology, Kent State University

Psychology of Adjustment, Summer 1996

Department of Psychology, Kent State University

Foundations of Psychological Research I (Lab), Fall 1990 (Teaching Assistant)
Department of Psychology, California State University, Sacramento

GRADUATE STUDENT ADVISEES

Stephanie J. Wilson; Human Development and Family Studies; 2010-2015
Big Data Social Science IGERT, Penn State University
University Fellowship

Courtney A. Polenick; Human Development and Family Studies; 2012-2014
Joseph and Jean Britton Graduate Fellowship

Mary Jon Barrineau (Co-Advisor); Human Development and Family Studies; 2010-2014

Ashley M. Stanford/Tate; Human Development and Family Studies; 2015-2022
Bunton Waller Fellowship; Graham Fellowship; Hintz Graduate Fellowship

Suyoung Nah; Human Development and Family Studies; 2017 – 2023
Hintz Graduate Fellowship

Yan Huang; Human Development and Family Studies; 2023 -

GRANT SUPPORT

Principal Investigator

National Institute on Aging, **Training Director**, “Psychosocial Determinants and Biological Pathways to Healthy Aging,” **T32** 049676, 2021-2026.

National Institute on Aging, **Principal Investigator**, “Diverging Effects of Closeness in Older Adults with Chronic Low Back Pain and Spousal Caregivers,” **R01** AG063241, 2019-2024

National Institute on Aging, **Principal Investigator**, “Optimizing Couple-Oriented Interventions for Chronic Illness,” **K02** AG039412, 2012-2017

Penn State Social Science Research Institute, **Principal Investigator**, “Methods Development for In-Home Dyadic Research,” 2010-2012

National Institute on Aging, **Principal Investigator**, “Daily Individual and Marital Processes in Osteoarthritis,” **R01** AG026010, 2007-2012

National Institute of Mental Health, **Principal Investigator**, “Treating Family Caregivers to Late-Life Depression Patients,” **K01** MH065547, 2002-2007

National Heart, Lung and Blood Institute, **Principal Investigator**, “Pittsburgh Mind-Body Center, Project 2: Psychobiological Pathways: Osteoarthritis Interventions,” P50 HL65111, with K. Matthews and M. Scheier (Center P.I.s) 1999-2004

University of Pittsburgh Department of Psychiatry Seed grant, **Principal Investigator**, “Assessment of Caregivers to Late-Life Mood Disorder Patients,” 2002-2003

University of Pittsburgh Department of Psychiatry Seed grant, **Principal Investigator**, “Psycho-educational Intervention for Osteoarthritis Patients and Spouses,” 1998-1999

Co-Investigator/Consultant

National Institute on Aging, **Co-Investigator**, "The Role of Daily Social Interactions in Cognitive Decline and Impairment," **R03** AG067006, with R. Zhaoyang (P.I.), 2020-2022

National Institute on Aging, **Co-Investigator**, "Sleep as a Mechanism Through Which Marital Quality Influences Older Adults' Mental Health," **R03** AG064360, with C. Marini (P.I.), 2019-2021

Penn State Social Science Research Institute, **Co-Investigator**, "Intervention to Motivate Standing and Walking in GI Cancer Surgical Patients," with D. Conroy and N. Gusani (P.I.s), 2013-2014

Penn State Clinical and Translational Science Institute, **Co-Investigator**, "Pennsylvania Adult Rural Health Study," with M. Sliwinski (P.I.), 2013-2014

Penn State Social Science Research Institute, **Co-Investigator**, "Pain, Affect, Stress and Sociality," with J. Graham-Engeland (P.I.), 2013-2014

National Heart, Lung and Blood Institute, **Co-Investigator**, "Pittsburgh Mind-Body Center II," R24 HL076582, with K. Matthews and M. Scheier (P.I.s), 2004-2009

National Institute of Mental Health, **Co-Investigator**, "Geriatric Depression: Getting Better, Getting Well," **R01** MH37869, with C. Reynolds (P.I.), 2004-2009

National Institute on Aging, **Co-Investigator**, "Aging Well, Sleeping Efficiently: Intervention Studies (Project 2; M. Hall)," P01 AG20677, with T. Monk (Center P.I.), 2003-2008

National Institute of Nursing Research, **Co-Investigator**, "Caregiver Intervention for Caregivers of SCI Patients," R01 NR008272, with R. Schulz (P.I.), 2002-2007

University of Pittsburgh Department of Psychiatry Seed grant, **Co-Investigator**, "Reducing Stress and Sleep Disturbances in Caregivers of AD Patients," with M. Hall (P.I.), 2000-2001

Seminars and Invited Lectureships

Penn State Center for Healthy Aging, Healthy Aging Colloquium Series
December, 2022

Penn State Center for Healthy Aging, Healthy Aging Colloquium Series
September, 2020

Stony Brook University, Department of Psychology
October 4, 2019

Keynote Address, Kent State Univ. Dept of Psychological Sciences 50th Anniversary Celebration
June 8, 2018

Keynote Address, Association for Researchers in Psychology and Health, University of Groningen,
The Netherlands
February 6, 2014

Presenter in Invited Symposium, International Association for Relationship Research Conference
on Health, Emotion, and Relationships, Tucson, Arizona
October 21, 2011

Keynote Address, Division of Health Psychology, British Psychological Society, Belfast, Northern
Ireland
September, 2010

Purdue University, Department of Child Development & Family Studies/ Center for Aging & Life
Course
September 26, 2008

West Virginia University, Department of Psychology
November 7, 2005

Conference Presentations (past 5 years)

- Huang, Y., **Martire**, L.M., & Jones, D. (2024, November). Four-Year Loneliness Trajectory and Its Predictors in Older Adults. Poster presented at the Annual Meeting of the Gerontological Society of America, Seattle, WA.
- Diaz, J., Lee, S., **Martire**, L.M., & Sliwinski, M.J. (2024, November). Coupling of Within-Person Changes in Subjective Sleep Quality and Subjective Cognition in Community-Dwelling Adults. Poster presented at the Annual Meeting of the Gerontological Society of America, Seattle, WA.
- Martire**, L.M., Reis, H.R., & Felt, J.M. (2024, July). Effects of Chronic Back Pain on Partner Well-Being: The Downside of Closeness. Paper presented at the main conference of the International Association for Relationship Research, Boston, MA.
- Martire**, L.M., & Lyons, K. (2023, November). Dyadic Health Science in Gerontology: Recent Advances and Interdisciplinary Perspectives. Symposium presented at the Annual Meeting of the Gerontological Society of America, Tampa, FL.
- Nah, S., **Martire**, L.M., & Tate, A.M. (2022, November). Physical Function, Self-Perceptions of Aging, and Depressive Symptoms among Older Adults. Poster presented at the Annual Meeting of the Gerontological Society of America, Indianapolis, IN.
- Tate, A.M., Marini, C.M., Nah, S., & **Martire**, L.M. (2022, November). Coping and Uncertainty in the Context of COVID-19: Differences Between Partnered and Un-Partnered Older Adults. Poster accepted for presentation at the Annual Meeting of the Gerontological Society of America, Indianapolis, IN.
- Martire**, L.M., Zhaoyang, R., & Marini, C.M. (2021, November). Effects of Late-Life Health Transitions on Spouses' Psychological Well-Being. Paper presented in symposium at the Annual Meeting of the Gerontological Society of America, Virtual.
- Nah, S., & **Martire**, L.M. (2021, November). Effects of Chronic Pain on Changes in Older Couples' Marital Quality. Paper presented in symposium at the Annual Meeting of the Gerontological Society of America, Virtual.
- Nah, S., & **Martire**, L.M. (2020, November). Perceived Gratitude, Role Overload, and Health among Spousal Caregivers: A Longitudinal Study. Poster presented at the Annual Meeting of the Gerontological Society of America, Virtual.
- Marini, C.M., Wilson, S.J., & **Martire**, L.M. (2019, November). Rumination, Depressive Symptoms, and Sleep Quality: Social Support as a Buffer. Poster presented at the Annual Meeting of the Gerontological Society of America, Austin, TX.
- Nah, S., **Martire**, L.M., & Marini, C.M. (2019, November). Patients' Pain and Their Spousal Caregivers' Negative Affect: The Moderating Role of Spouse Confidence in Patients' Pain Management. Poster presented at the Annual Meeting of the Gerontological Society of America, Austin, TX.
- Zhaoyang, R., & **Martire**, L.M. (2019, November). Affectionate Touch and Relational, Mental, and Physical Well-Being in Older Couples: A National Longitudinal Study. Paper presented in

symposium at the Annual Meeting of the Gerontological Society of America, Austin, TX.

Tate, A.M., & **Martire**, L.M., The Unique Importance of Relationship Quality for Community-Dwelling Older Adults. Poster presented at the Annual Meeting of the Gerontological Society of America, Austin, TX.

Nah, S., **Martire**, L.M., & Zhaoyang, R. (2018, November). Is a Spousal Confidant Enough? The Effects of Numbers of Confidants on Married Older adults Health. Paper presented in symposium at the Annual Meeting of the Gerontological Society of America, Boston, MA

Stanford, A.M., Marini, C.M., Wilson, S.J., & **Martire**, L.M. (2018, November). Invisible Support and Daily Well-being Among Osteoarthritis Patients and Spouses. Paper presented in symposium at the Annual Meeting of the Gerontological Society of America, Boston, MA.

Kong, J., **Martire**, L.M., Moorman, S., & Almeida, D.M. (2018, November). The Role of Family Relationships in Associations Between Childhood Abuse and Adult Psychological Functioning. Poster presented at the Annual Meeting of the Gerontological Society of America, Boston, MA.

Martire, L.M. (2018, July). The Intertwined Associations of Health and Relationships. Discussant in symposium at the Annual Meeting of the International Association for Relationship Research, Fort Collins, CO.

Martire, L.M., Zhaoyang, R., & Marini, C.M. (2018, March). Daily pain catastrophizing: Effects on spousal caregivers' well-being. Paper presented in symposium at the 76th Annual Scientific Meeting of the American Psychosomatic Society, Louisville, KY.

Stanford, A.M., & **Martire**, L.M. (2017, July). Self-efficacy for pain communication in osteoarthritis patients and their spouses. Poster presented at the Annual Meeting of the International Association for Gerontology and Geriatrics, San Francisco, CA.

Stanford, A.M., & **Martire**, L.M. (2017, July). Pain communication in osteoarthritis patients and their spouses. Poster presented at the Annual Meeting of the International Association for Gerontology and Geriatrics, San Francisco, CA.

Slavish, D.C., Graham-Engeland, J.E., **Martire**, L.M., & Smyth, J.M. (2017, May). Bidirectional associations between daily pain, affect, and sleep quality in young adults with and without chronic back pain. Poster presented at the 37th Annual Scientific Meeting of the American Pain Society, Pittsburgh, PA.

Slavish, D.C., Graham-Engeland, J.E., **Martire**, L.M., & Smyth, J.M. (2017, March). Temporal dynamics between daily affect, pain, and nightly sleep quality in young adults. Paper presented at the 75th Annual Scientific Meeting of the American Psychosomatic Society, Seville, Spain.
