

**CURRICULUM VITAE**

**Douglas M. Teti, Ph.D.**

**Distinguished Professor of Human Development and Family Studies  
Professor of Psychology and Pediatrics  
Head, Dept. of Human Development and Family Studies  
105 Health and Human Development Building  
The Pennsylvania State University,  
University Park, PA 16802.**

Education

NIMH Post-Doctoral Fellow, Aug. 1984-July, 1986, University of Utah,  
Salt Lake City, UT., Developmental Psychology

Ph.D., 1984, University of Vermont, Burlington, VT., General  
Psychology with specialty in Developmental Psychology

M. S., 1980, Villanova University, Villanova, PA., General  
Experimental Psychology

B. S., 1976, St. Joseph's College, Phila., PA., Psychology

Experience in Higher Education

Department Head, July 1, 2014 – present. Dept. of Human Development and Family  
Studies, The Pennsylvania State University

Sept. 1, 2011 – June, 2014: Associate Director, Social Science Research Institute, The  
Pennsylvania State University

December, 2009 – present, Professor of Pediatrics, Hershey Medical Center, Penn State  
Children's Hospital (courtesy appointment)

September, 2007 – present, Professor of Psychology, The Pennsylvania State University  
(courtesy appointment)

August, 2005 – August 31, 2011, Professor-in-Charge, HDFS Ph.D. program, The  
Pennsylvania State University, University Park, PA.

June, 2004 – present, Lead Faculty, the Families-at-Risk faculty research initiative,  
sponsored by Penn State's Child Study Center, College of Liberal Arts, Penn State  
University

Spring, 2008 – Interim Department Head, HDFS, Penn State University

June, 2003 - present, Professor of Human Development, Human Development and Family Studies, The Pennsylvania State University, University Park, PA.

January, 2005 – 2009, Adjunct Professor, Department of Psychology, University of Maryland, Baltimore County.

2001 - 2003, Director, Applied Developmental Psychology Ph.D. program, Dept. of Psychology, University of Maryland, Baltimore County.

1998 - 2003, Professor of Psychology, Dept. of Psychology, University of Maryland, Baltimore County

1992 - 1998, Associate Professor, Dept. of Psychology, University of Maryland, Baltimore County

1986-1992, Assistant Professor, Dept. of Psychology, University of Maryland, Baltimore County

1993 - 1996, Adjunct Associate Professor, University of Utah, Department of Psychology

1987 - 1993, Adjunct Assistant Professor, University of Utah, Department of Psychology

-----

### **Awards and Honors**

2015 recipient of the Evan G. and Helen G. Pattishall Outstanding Research Achievement Award, College of Health and Human Development, The Pennsylvania State University

2022 (January), named Distinguished Professor of Human Development and Family Studies

### Research Support and/or Fellowships:

#### Funded Grants:

CoPrincipal Investigator, Problem Prevention in Infants of Depressed Mothers, in collaboration with Donna Gelfand, Ph.D.  
NIH/National Institute of Mental Health. 8-1-87 to 7-31-91  
Renewed 8/1/91 to 7/31/95.

Principal Investigator, Security of Attachment and Infant-Sibling

Relations, ADAMHA FIRST Award, NIMH  
Grant # R29 MH44713. Funded 9/1/89 - 8/31/95.

Principal Investigator, ADAHMA Small Instrumentation Program,  
ADAMHA Grant # SRCA (70) 1 S15 MH50804-01. Funded  
9/30/92 to 8/31/93

Principal Investigator, Parental beliefs and behavior as moderators of IVH  
Outcomes. University of Maryland, Baltimore County Designated Research  
Initiative fund. 7/31-99 - 6/30/00, in collaboration with Susan Sonnenschein,  
Ph.D.

Principal Investigator, Adult attachment and intervention efficacy with preterms.  
NIH/National Institute of Child Health and Human Development  
Grant # HD38982. 08/01/01 - 11/30/07. In collaboration with Rose Viscardi,  
M.D., Maureen Black, Ph.D., Penny Glass, Ph.D., and Regina Cusson, Ph.D.

Principal Investigator, Stability of parenting competence in early childhood: An  
emic perspective. Children, Youth, and Families Consortium, The  
Pennsylvania State University. Funded 03/01/04. In collaboration with Mark  
Feinberg, Ph.D., Mark Greenberg, Ph.D., and Keith Crnic, Ph.D.

Principal Investigator, Prefrontal Cortical Asymmetry and Parenting at Risk: A  
Pilot Investigation. Children, Youth, and Families Consortium, The Pennsylvania  
State University. Funded 04/01/06. In collaboration with Mark Feinberg, Ph.D.,  
Pamela Cole, Ph.D., Sandra Azar, Ph.D., William Ray, Ph.D., Michael Wenger,  
Ph.D., and Ginger Moore, Ph.D.

Principal Investigator, Parenting and infant sleep regulation: A pilot investigation.  
Children, Youth, and Families Consortium, The Pennsylvania State University.  
Funded 03/01/06. In collaboration with Pamela Cole, Ph.D., Rick Gilmore,  
Ph.D., Brian Rabian, Ph.D., and Michael Rovine, Ph.D.

Co-Investigator, “Child maltreatment, parenting processes, and emotion regulation.”  
NIH/National Institute of Mental Health. R01 MH079328  
Funded July 1, 2007. In collaboration with Elizabeth Skowron (PI)  
Period of support: 07/01;07-6/30/12.

Principal Investigator, Stress and the Low Birth Weight Infant: Mechanisms,  
Implications, and Interventions. Children, Youth, and Families Consortium,  
funded 9/1/07. In collaboration with Charles Palmer, MD, Kimberly Haidet,  
Ph.D., and Robert Bonneau, Ph.D.

Principal Investigator, “The role of parenting in infant sleep regulation and sleep  
problem risk”. National Institute of Child Health and Human Development

(1R01HD052809). In collaboration with Pamela Cole, Ph.D., Thomas Anders, M.D., Cynthia Stifter, Ph.D., Michael Rovine, Ph.D., and Ian Paul, MD. Period of support: 1/1/09 – 12/31/14

Principal Investigator, “Cue-Directed Tactile Stimulation and the Premature, Low Birth Weight Infant: Stress Reactivity, Immune Functioning, and Parenting”. Clinical Translational Science Institute. In Collaboration with Charles Palmer, MD, Robert Bonneau, Ph.D., Kimberly Haidet, Ph.D., Stephanie Lanza, Ph.D., and Piotr Janicke, MD.

Co-Investigator, “Cue-Directed Tactile Stimulation — An Interventional Strategy to Decrease Stress Reactivity and Increase Immune Function and Survival in Premature, Low Birth-Weight Infants.” The Children’s Miracle Network. In collaboration with Robert Bonneau, Ph.D., (PI), Charles Palmer, MD, and Kimberly Haidet, Ph.D.

Principal Investigator, “Parenting at risk: Contributions from affective neuroscience” NIH/National Institute of Child Health and Human Development. R21HD062087 04/01/2010 – 03/31/2012. In collaboration with Pamela Cole, Mark Feinberg, Peter Molenaar, Sandra Azar, Joseph Stitt, William Ray.

Co-Investigator, “Caregiving, Attachment, and Regulation of Emotion (CARE) NIH/National Institute of Child Health and Human Development. 1 R01 HD068594- In collaboration with Susan Woodhouse (PI). 7/1/2011 to 6/30/2016.

1R21HD077146-01A1, Propper (PI) 4/10/2014 – 3/31/2016  
NIH/NICHHD *Infant sleep development: Contributions of infant vagal tone and parenting*. Assesses the individual and joint impact of infant vagal regulation and quality of bedtime parenting on infant development during the first year of life.  
Role: Consultant.

K01 DA035298-01A1 Propper (PI) 03/15/14-02/28/19  
NIH/NIDA, *Prenatal Cigarette Exposure: The Role of Sleep and Regulation for Infant Outcomes*  
This study examines the independent and interactive effects of prenatal nicotine exposure, infant vagal regulation, and infant sleep quality on infant development across the first year of life. Role: Mentor

Co-investigator, R21 mechanism, The role of sleep and social information processing in child neglect. In collaboration with Sandra Azar (PI), Paul Bartell, and David Johnson. National Institute of Child Health and Human Development, 6/1/2015 to 5/31/2017

1 F31 HD084118-01A1 McDaniel (PI) 12/1/2015 – 11/30/2017  
NIH/NICHHD, Understanding stability and change in coparenting across macro and micro time:

Predictors and outcomes in families with young children Role: Mentor

R01 HD087266-01 Teti (PI) 4/1/2016 – 3/31/2021

NIH/NICHD, *Parenting, child sleep, and the transition to kindergarten*, in collaboration with Karen Bierman, Orfeu Buxton, David Almeida, and Michael Rovine. National Institute of Child Health and Human Development.

R01 HD088566 Teti (PI) 4/1/2017 – 3/31/2022

NIH/NICHD, *Coparenting, Infant Sleep, and Infant Development*, in collaboration with Mark Feinberg, Damon Jones, Ian Paul, and Liat Tikotzky. National Institute of Child Health and Human Development.

4100089395 Sznajder (PI)/Teti (co-PI) Dec. 1, 2021 – Nov. 30, 2024

PA Dept. of Health. COVID-19: maternal and child health outcomes in diverse Pennsylvania Communities, in collaboration with Richard Legro and Wenke Hwang (co-PIs).

#### Masters Students (thesis):

Director of completed master's thesis for:

--Catherine Vieira-Baker (HSP): Predicting psychological well-being in two samples of pregnant adolescents. 12/18/89.

--Kathleen M. Corns (ADP): Correlates of adolescents' subjective evaluations of pregnancy and parenthood. 2/18/92.

--Marta Caballeros (CCP): Initial reactions to the birth of a sibling in a sample of preschool-aged firstborn children. 7/9/92.

--Elizabeth Kucera (ADP): The effect of sibling birth on firstborn behavior and its relation to self-reported parental stress. 12/7/92.

--Judith Bird (HSP): Social characteristics of Fragile X syndrome. 8/30/95.

--Sharon McGourty (ADP): Assessing the attachment relationship: Methodology of the attachment behavior Qset. 6/27/95.

--Jeanne Gordon (ADP). Parenting and parent-child risk in a sample of preterm infants and their mothers. 5/30/98

--Walter Meyer (ADP). Correlates of adjustment among mothers and fathers of medically fragile infants: The roles of infant medical risk, father involvement, and marital quality. 6/8/98

--Steven W. Gorny (ADP). Childhood sexual abuse and later drug use in a non-clinical population (research competency). 5/30/98

--Christine Reiner (ADP). Sources of social support as predictors of maternal adjustment after the birth of a medically fragile infant. 3/31/99.

--Paula Scheye (HSP). Goodness of fit and maternal adaptation: Mother's overestimation and underestimation of medical risk for NICU infants. 6/6/99.

- Kathleen Tracy (HSP). Antecedents of adjustment problems in children. 7/24/01

- Kelly Todd (ADP). Coping style and maternal perceptions of high-risk infant medical/developmental status after discharge from the NICU. 10/6/01

- Melissa O'Connell (ADP). Determinants of older sibling adjustment to the birth of a medically fragile infant. 11/21/01
- Margo Candelaria (ADP). The role of parental locus of control in parental participation in early intervention. 11/30/01
- Rose Belanger (ADP). Postpartum Mother-Infant Separation: Maternal Depression, and Maternal Sensitivity in a Preterm Sample. 4.27.07
- Nissa Towe-Goodman (HDFS – Penn State University). Power Assertive Discipline and Emotional Availability: Implications for Child Adjustment. 3.9, 07.
- Christine Fortunato (HDFS – Penn State University; Patterns of Adrenocortical Reactivity and Regulation to Emotional Challenge in Early Childhood: Relations to Temperament, and Maternal Characteristics\_Douglas Granger, co-chair). Dec. 2008
- Elizabeth Hunt (HDFS – Penn State University). Division of Household Labor and maternal functioning among at-risk mothers.
- Fumiyuki Chin (HDFS – Penn State University). Predictors of commitment to home visitation program among African American sample. March, 2010
- Gail Mayer (HDFS – Penn State University). The Role of Infant Temperament, Parenting, and their Interaction in Predicting Infant Sleep Behavior. April, 2010
- Bo-Ram Kim (HDFS – Penn State University). Mothers' affect dysregulation, depressive symptoms, and emotional availability during mother-infant interaction. Dec., 2010
- Brandon McDaniel (HDFS – Penn State University). Mothers' and Fathers' Perceptions of Coparenting across the Early Months of the Transition to Parenthood: The Role of Infant Sleep Quality. Jan., 2012
- Lauren Philbrook (HDFS – Penn State University). Maternal Emotional Availability at Bedtime, Quality of Co-parenting, Infant Temperament, and Infant Diurnal Cortisol at 1 and 3 Months. March, 2012.
- Mina Shimizu (HDFS – Penn State University). Maternal distress and infant sleep arrangements in the first year: The roles of cultural consonance and maternal preferences for sleep arrangement choices. December, 2013.
- Ni Jian (HDFS – Penn State University). Infant temperament, maternal emotional availability at bedtime, and infant sleep from 3 to 6 months. December, 2014
- Jonathan Reader (HDFS – Penn State University). Parental cognitions about infant sleep: Parental differences, trajectories across the first year, and coparenting quality. June, 2015.
- Sabrina Voltaire (HDFS – Penn State University). Early Nighttime Parental Interventions and Infant Sleep Consolidation Across the First Year. January, 2018
- Christine Youngwon Kim (HDFS – Penn State University). Quality of coparenting and infant-mother attachment: the mediating role of maternal emotional availability. May, 2020.
- Kaitlin Fronberg (HDFS – Penn State University). Household Chaos Mediates the Link between Family Resources and Child Sleep. October, 2020.

Director of master's theses in progress for:

Ruiqi Feng (HDFS – Penn State University)

Chair of Dissertation Committee, in progress, for:

Liu Bai  
Ulziimaa Chimed-Ochir  
Christine Kim  
Kaitlin Fronberg  
Sabrina Voltaire

Member of master's thesis committee for:

Erik Scott (HSP)  
Aleena Binder (CCP)  
Karen Ablard (ADP)  
Dorothy Adamson (ADP)  
Deborah Greenberg (HSP)  
Christine Walrath (HSP) (Research Competency)

Lead Organizer, Society for Research in Child Development Themed Meeting, “New Conceptualizations in the Study of Parenting at Risk”. Nov. 13-15, 2014, San Diego, CA. (in collaboration with Pamela Cole, Natasha Cabrera, Sherryl Goodman, and Vonnie McLoyd).

Lead Organizer, “Family-Level Perspectives on Sleep and Self-Regulation in Early Childhood”. Innovation Hub symposium sponsored by Penn State’s Child Study Center, Jan. 14, 2020.

Panel Reviewer, Biennial Meeting of the Society for Research in Child Development, 2021.

Departmental Service

## University of Maryland, Baltimore County

1. Chair, Psych 331-332 Evaluation Committee, 1987-'88
2. Chair, Departmental Space Committee, 1990 to present
3. Member, Graduate Assistantship Committee, 1987-'88
4. Member, Graduate Committee, 1986-'87, 1993 - present
5. Member, Applied Developmental Psychology Ph.D. program recruitment committee for program director (two years: 1987-1988 and 1988-1989)
6. Chair, Departmental Colloquium Committee, 1991-'92
7. Member, Chair Evaluation Committee, 1992-'93
8. Member, Health Psychology Search Committee, 1992-'93
9. Member, Promotion and Tenure Committee for Dr. Christopher Murphy's contract renewal, 1993-'94.
10. Chair, Departmental Search Committee, 1995- present
11. Chair, Promotion and Tenure Committee for Dr. Shari Waldstein's contract renewal, 1995-'96.
12. Acting Director, 1995- '96, Applied Developmental Psychology Ph.D. program.
13. "Curator", security alarm system for psychology faculty laboratories on the 4th and 5<sup>th</sup> floors of Social Sciences Building (1994-present).
14. Chair, Promotion and Tenure Committee for Dr. Lynnda Dahlquist.
15. Member, Departmental Colloquium Committee, 1997-'98.
16. Chair, Search Committee for lecturer positions in measurement/statistics and developmental psychology
17. Director, Applied Developmental Psychology Ph.D. program, Jan. 2001 - 2003.
18. Chair, Search Committee for assistant professor position in Applied Developmental Psychology, Fall, 2002 - Spring, 2003.

## The Pennsylvania State University

19. Member, Promotion and Tenure Committee, Human Development and Family Studies, The Pennsylvania State University, Sept. 2004 – 2007.
20. Member, Child Care Transitions Committee, Human Development and Family Studies, The Pennsylvania State University. Jan, 2005 – Jan. 2006.
21. Member, HDFS Diversity/301 Revision Committee, Sept. 2004 – August, 2005
22. Author, Report to HDFS's PPD&E Committee re: proposed mechanisms for training HDFS undergraduates with interests in careers in child care, Fall, 2004 – Spring, 2005.
23. Professor-in-Charge, HDFS Ph.D. Program, The Pennsylvania State University, Aug. 2005 – Sept. 2011.
24. Interim Department Head, HDFS, Penn State University, Spring, 2008
25. Chair, Faculty Search Committee, Family/Prevention area, 2010-2011
26. Chair, Faculty Search Committee, Penn State's Social Science Research Institute Child Maltreatment cluster hire, 2012-2013.
27. Department Head, Human Development and Family Studies, July 2014 – present
28. Member, Diversity Leadership Council, College of Health and Human Development,

January 2016 to present

29. Chair, AD-14 Committee to review Kathryn Drager, Associate Dean for Research and Graduate Education, 2018
30. Member, College of HHD Executive Committee, July, 2014 - present
31. Member, College of HHD Strategic Planning Committee, Oct., 2019 – present.

#### h) University Service

, University of Maryland, Baltimore County

1. Member, Organization and University Operations Committee, 1996 - 1998.
2. Member, Salary Equity Committee, 1998-1999
3. Member, Faculty Grievance Committee, August, 1999 - 2000.
4. Member, UMBC Research Fellows Program selection committee, Spring, 2003.

The Pennsylvania State University

5. Member, Conflict of Interest Committee, The Pennsylvania State University  
Spring, 2004 – Summer, 2005
6. Member, College of HHD Strategic Plan Faculty Committee, The Pennsylvania State  
University, Nov., 2007 – Aug., 2008
7. College of Health and Human Development Graduate School Fellowship Committee, 2007-  
Present
8. Internal Review Board, Office of Research Protections, Penn State University, Jan. 2010 –  
Sept., 2011
9. Associate Director, Social Science Research Institute, Sept. 2011 – present
10. Member, Presidential Task Force for the Study of Child Maltreatment, Jan, 2011 – August  
2012.
11. Chair, Coordinating Search Committee, Penn State's Child Maltreatment Cluster Hire, 2013-  
2014.
12. Lead Faculty, Families-at-Risk (FAR) Faculty Research Initiative (Penn State  
University Child Study Center, sponsor). August, 2004 – present
13. Dept. Head, Human Development and Family Studies, Penn State University. July 1, 2014 –  
present.

#### i) Additional Service Activities

1. External Reviewer for faculty promotion and tenure, Pennsylvania State University  
(1996).
2. External Dissertation Reviewer, Carlo Schuengel, Leiden University, The Netherlands  
(Marinus van Ijzendoorn, Chair)
3. External Reviewer for faculty promotion and tenure, University of Pittsburgh (2000).
4. External Reviewer for faculty promotion and tenure, Kent State University, 2001
5. External Reviewer for faculty promotion and tenure, West Virginia University,

2003

6. External Reviewer for faculty promotion and tenure, University of Florida, 2006
7. External Reviewer for faculty promotion and tenure, Purdue University, 2006
8. Member, Presidential Task Force for Research Funding, Sleep Research Society, Oct., 2007 – 2008.
9. External Reviewer for faculty promotion and tenure, University of Oregon, 2008
10. External Reviewer for faculty promotion and tenure, Ohio State University, 2008
11. External reviewer for the University of Kentucky's Human Development Ph.D. program, 2010.
12. External Reviewer for promotion to Full Professor, University of Illinois, 2011
13. Guest Editor (2011), Special Section in the *Journal of Family Psychology*, entitled Parenting-at-risk: New perspectives, new approaches.
25. External Reviewer for promotion to Full Professor, University of North Carolina, Greensboro, Fall 2012
26. External Reviewer for promotion to senior lecturer, Ben-Gurion University of the Negev, Jan. 2013
27. External Reviewer for promotion to full professor, University of Utah, Nov. 2012
28. Associate Editor, *Infancy*, Summer 2010 – August, 2013
29. Organizer, SRCD Themed Meeting, “New Perspectives in the Study of Parenting-at-Risk”, scheduled for Nov, 2014.
30. Organizer, Penn State 3<sup>rd</sup> annual conference on child maltreatment, ““Child Maltreatment: Parenting, Family Processes, and Intervention” Scheduled for May 5-6, 2014.
31. External Reviewer for promotion to Full Professor, University of Georgia, Aug. 2013
32. External Reviewer for promotion and tenure, University of Arizona, Aug. 2014
33. External Reviewer for Full Professor, University of Texas at Austin, Aug. 2014
34. External Reviewer for Senior Lecturer, Ben Gurion University of the Negev, Aug 2014
35. External Reviewer for Full Professor, University of Haifa, Israel, August 2015
36. External Reviewer for Full Professor, Wayne State University, August, 2017.
37. External Reviewer for promotion and tenure, University of New Mexico, August, 2017
38. External Reviewer for promotion and tenure, Mississippi State University, August, 2017
39. External Reviewer for promotion and tenure, West Virginia University, October, 2017
40. External Reviewer for promotion and tenure, University of North Carolina – Chapel Hill, Feb. 2018.
41. External Review for Full Professor, Purdue University, September, 2018.
42. External Review for Full Professor, Penn State Brandywine, March 2019.
43. External Review for Full Professor, University of Michigan, July 2019
44. External Review for Full Professor, West Virginia University, October 2019
45. External Review for Full Professor, Case Western Reserve University, July 2020
46. External Review for Associate Professor with tenure, Arizona State University, August 2020.
47. External Review for Associate Professor, University of Haifa, August 2020
48. External Review for Associate Professor with tenure, Michigan State University, Oct. 2020
49. External Review for Full Professor, University of Washington, Sept. 2020
50. External Review for promotion and tenure, Michigan State University, Oct. 2020.
51. External Review for promotion to research associate professor, UNC at Chapel Hill, Feb. 2021
52. External Review for promotion to Full Professor, Georgetown University, June 2021.
53. External Review for promotion and tenure, Case Western Reserve University, Oct.. 2021

h) Conference and Invited Presentations:

## ENTER ICIS PRESENTATIONS

Teti, D. M., Bai, L., Kim, Y. W., & Chimed-Ochir, U. (July, 2022). Comparing maternal sensitivity in three home contexts during infants' first year: Feeding, free-play, and bedtime. In K. De Barbaro (Chair). *Parenting in context: Everyday family contexts and their influence on caregiving 'in the wild.'* Symposium presented at the biennial meeting of the International Congress on Infant Studies. Ottawa, CA.

Bai, L., Crosby, B., & Teti, D. M. (July, 2022). Maternal Sleep and Parenting Quality during 1 to 24 Months: The Moderating Role of Coparenting Quality. In E. Leerkes (Chair), *Implications of maternal sleep for maternal affect, cognition, neural processing, and parenting behavior during infancy.* Symposium presented at the biennial meeting of the International Congress on Infant Studies. Ottawa, CA.

Fronberg, K., & Teti, D. (2021, April 7-9). Mothers' emotional availability and kindergartners' academic and social-emotional outcomes: Direct and indirect paths of influences. [Poster presentation]. Society for Research in Child Development (SRCD) virtual biennial conference.

Fronberg, K., Bai, L., Chimed-Ochir, U. & Teti, D. (2021, June 2-4). Moderating Effects of Household Chaos on the Link between Fathers' Prenatal Posttraumatic Stress Symptoms and Early Postpartum Depressive Symptoms. [Paper presentation]. Society for Prevention Research (SPR) virtual annual conference.

Chimed-Ochir, U., Brick, R.T., & Teti, D.M., (November, 2021). Household Chaos and the temporal dynamics of mothering quality and infant-mother attachment across the second year. *National Council on Family Relations*, Online Conference

Kim, C.Y., Bai, L.M., Crosby, B., & Teti, D.M. (April, 2021). *Longitudinal associations between maternal sleep quality and infant-mother attachment: the mediating role of maternal emotional availability.* Symposium presented at Society for Research in Child Development, Minneapolis, MN.

Kim, C.Y. & Teti, D.M. (April, 2021). *Breastfeeding duration, maternal emotional availability, and infant-mother attachment.* Poster presented at Society for Research in Child Development, Minneapolis, MN.

Bai, L., & Teti, D. M. (2021, April). Maternal Depression and Infant Behavioral Problems: The Moderating Role of Infant Stress Reactivity. Paper presented at Biennial Meeting of Society for Research on Child Development, April 7-9, 2021 (Online Meeting).

Chimed-Ochir, U., Bai, L., Whitesell, C. J., Fronberg, K. M. & Teti, D. M. (2021, April). Mothers' emotional availability and kindergartners' academic and social-emotional outcomes: Direct and indirect paths of

influences. Paper presented at Biennial Meeting of Society for Research on Child Development, April 7-9, 2021 (Online Meeting).

- Chimed-Ochir, U., Whitesell, C. J., Bai, L., Fronberg, K. M. & Teti, D. M. (2021, April). Mothers' emotional availability predicting kindergartners' learning behavior: Screen time and child negative affectivity as mediators. Paper presented at Biennial Meeting of Society for Research on Child Development, April 7-9, 2021 (Online Meeting).
- Bai, L., Wang, H., Crosby B., & Teti, D. M. (2021, April). Infant Sleep and Behavioral Problems During the Second Year: The Moderating Role of Socioeconomic Risk. Paper presented at Biennial Meeting of Society for Research on Child Development, April 7-9, 2021 (Online Meeting).
- Kim, C., Bai, L., Crosby B., & Teti, D. M. (2021, April). Longitudinal Associations Between Maternal Sleep Quality and Infant-Mother Attachment: The Mediating Role of Maternal Emotional Availability. Paper presented at Biennial Meeting of Society for Research on Child Development, April 7-9, 2021 (Online Meeting).
- Bai, L., & Teti, D. M. (2021, poster accepted). Parental Depression, Child Negative Affectivity and Coparenting during the Transition to Parenthood: A Dyadic Analysis. Poster to be presented at the National Council on Family Relations, November 2-5, 2021 (Online Meeting).

Teti, D. M. (Sept. 25, 2020). Navigating the academic job market. Presented at the 13th Annual Postdoc Research Exhibition (virtual presentation). Hosted by the Office of Postdoctoral Affairs and the Penn State Postdoc Society.

Fronberg, K., & Teti, D. M. (Nov., 2020). How prenatal relationships spill over to early postnatal Coparenting experiences during the transition to parenthood: A dyadic model. Poster presented at the annual meeting of the National Council for Family Relations (virtual).

Bai, L., Chimed-Ochir, U., & Teti, D.M. (Nov., 2020). Maternal afternoon cortisol moderates links between family socioeconomic risk and parenting quality during infants' 1 to 6 months. Poster presented at the annual Meeting of the National Council on Family Relations (virtual).

Loeffler, M., Feinberg, M. E., Paul, I., Jones, D., Tikotzky, L., & Teti, D. M. Predicting parent-child bonding through fathers' perceptions of marital harmony. (Nov., 2020). Poster presented at the annual meeting of the National Council on Family Relations (virtual).

Chimed-Ochir, U., Teti, D.M., (Nov., 2020). Between-person and within-person variations in maternal depressive symptoms and emotional availability in predicting infant-mother attachment security across the second year. Poster presented at the annual meeting of the National Council on Family Relations (virtual).

Sznajder, K., Paul, I. M., Hackman, N. M., Massare, B., Teti, D. M., & Kjerulff, K. H. (2020, Oct 2 - 6). Diabetes during pregnancy is associated with clinician concern for child development at 6 and 12 months of age. Poster presented at the meeting of the American Academy of Pediatrics (Virtual).

- Hamby, C., & Teti, D. M. (July 2020). New mothers who blame infants for lost sleep are more likely to show symptoms of a postpartum depressive period. Poster presentation at the annual conference of the Society for Prevention Research (virtual presentation).
- Bai, L., Crosby, B., & Teti, D. M. (July 2020). Family socioeconomic risk and infant nighttime sleep in the second year: The moderating role of attachment security. Poster presented at the biennial meeting of the International Congress on Infant Studies (virtual presentation)
- Fronberg, K., & Teti, D. M. (July 2020) Interactions of marital harmony and lasting trauma on parental depression during the transition to parenthood. Poster presented at the biennial meeting of the International Congress on Infant Studies (virtual presentation).
- Voltaire, S., & Teti, D. M. (July 2020). Early bedtime coparenting quality, nighttime parenting practices and infant sleep regulation across the first year. Poster presented at the biennial meeting of the International Congress on Infant Studies (virtual presentation).
- Chimed-Ochir, U., & Teti, D. M. (July 2020). Environmental and temperamental predictors of infant adjustment at 12 months. Poster presented at the biennial meeting of the International Congress on Infant Studies (virtual presentation).
- Teti, D. M. (Jan. 14, 2020). Sleep as a family-level construct. Presented at the Penn State Innovation Hub symposium: Family-level perspectives on sleep and self-regulation in early childhood: A symposium focusing on intervention, family sleep, and self-regulation. Sponsored by the Penn State Child Study Center, University Park, PA
- Ji, L., Chow, S.-M., Crosby, B., & Teti, D. M. (Oct. 2019). *Exploring sleep dynamics of mother-infant dyads using a regime-switching vector autoregressive model*. Poster presented at the 17<sup>th</sup> Annual Society of Multivariate Experimental Psychology (SMEP) Graduate Student Conference, Baltimore, MD.
- Fronberg, K., Hamby, C., Feinberg, M., Jones, D., Paul, I., Tikotzky, L., & Teti, D. (2019, Nov.). Mothers' and fathers' psychiatric symptoms and coparenting expectations during the prenatal period. In S. Voltaire & D. Teti (Co-Chairs), *The role of coparenting in individual and family life during the transition to parenthood*. Symposium presented at the annual conference of the National Council on Family Relations, Fort Worth, TX.
- Bai, L., & Teti, D. (2019, Nov.). Coparenting as mediator and moderator of links between household chaos and parental depression during infants' second year. In S. Voltaire & D. Teti (Co-Chairs), *The role of coparenting in individual and family life during the transition to parenthood*. Symposium presented at the annual conference of the National Council on Family Relations, Fort Worth, TX.
- Kim, C., & Teti, D. (2019, Nov.). Quality of coparenting and infant-mother attachment: The mediating role of maternal emotional availability at bedtime. In S. Voltaire & D. Teti (Co-Chairs), *The role of coparenting in individual and family life during the transition to parenthood*. Symposium presented at the annual conference of the National Council on Family Relations, Fort Worth, TX.

- Voltaire, S. McDaniel, B., & Teti, D. (2019, Nov.). Self-reported vs. observed coparenting during infants' second year: Properties, stability, and correlates. In S. Voltaire & D. Teti (Co-Chairs), *The role of coparenting in individual and family life during the transition to parenthood*. Symposium presented at the annual conference of the National Council on Family Relations, Fort Worth, TX.
- Whitesell, C. J., & Teti, D. M. (2019, Nov.). Shift work, coparenting, and household chaos in families with children during the transition to kindergarten. In C. J. Whitesell & D. M. Teti (Co-chairs). *Household chaos as product and predictor of individual and family functioning in early childhood*. Symposium presented at the annual conference of the National Council on Family Relations, Fort Worth, TX.
- Teti, D. M., Whitesell, C. J., & Crosby, B. (2019, Nov.). Household chaos and sleep regulation in families during the transition to kindergarten. In C. J. Whitesell & D. M. Teti (Co-chairs). *Household chaos as product and predictor of individual and family functioning in early childhood*. Symposium presented at the annual conference of the National Council on Family Relations, Fort Worth, TX.
- Chimed-Ochir, U., & Teti, D. M. (2019, Nov.). Household chaos, quality of mothering, and infant-mother attachment: Direct and indirect effects. In C. J. Whitesell & D. M. Teti (Co-chairs). *Household chaos as product and predictor of individual and family functioning in early childhood*. Symposium presented at the annual conference of the National Council on Family Relations, Fort Worth, TX.
- Whitesell, C. J., & Teti, D. M. (2019, Nov.). Patterns of family routines and household chaos during the kindergarten year. In C. J. Whitesell & D. M. Teti (Co-chairs). *Household chaos as product and predictor of individual and family functioning in early childhood*. Symposium presented at the annual conference of the National Council on Family Relations, Fort Worth, TX.
- Whitesell, C. J., & Teti, D. M. (2019, Nov.). *The Taxonomy of patterns underlying family routines and relations to household chaos*. Poster presented at the annual conference of the National Council on Family Relations, Fort Worth, TX.
- Teti, D. M. (2019, May 21). Overview of measurements and challenges of assessing sleep in children. Session 5: Measuring sleep and its interaction with childhood obesity. Presented as part of a workshop held by the National Collaborative on Child Obesity Research, *Advancing measurement of individual behaviors related to childhood obesity*. Washington, DC.
- Teti, D. M. (Mar. 22, 2019) (Panelist). *Let's Turn the Conversation Around: Making Infant Sleep Interventions Developmentally- and Family-Focused*. Roundtable presentation at the biennial Conference of the Society for Research in Child Development (Macall Gordon, Chair), Baltimore, MD.
- Teti, D. M. (Chair) (Mar. 22, 2019). *Child Sleep, Parenting, and School Readiness*. Symposium presented at the biennial conference of the Society for Research in Child Development, Baltimore, MD.
- Whitesell, C. J., Bierman, K., Buxton, O. M., Crosby, B., Almeida, D., Sarsfield, K., & Teti, D. (Mar. 22, 2019). Linking Sleep with Kindergarten Functioning, and Bedtime Activities that Support Child Sleep. In D. M. Teti (Chair), *Child Sleep, Parenting, and School Readiness*. Symposium presented at the biennial conference of the Society for Research in Child Development, Baltimore, MD.

Teti, D. M. (Chair) (Mar. 22, 2019). *Designing a Naturalistic Observational Study of Children and Families 40 Years Later*. Symposium presented at the biennial conference of the Society for Research in Child Development, Baltimore, MD.

Teti, D. (Mar. 22, 2019). Naturalistic Observation of Parents, Infants, and Young Children in Sleep Contexts. In D. M. Teti (Chair). *Designing a Naturalistic Observational Study of Children and Families 40 Years Later*. Symposium presented at the biennial conference of the Society for Research in Child Development, Baltimore, MD.

Teti, D. M. (Chair) (Mar. 23, 2019). *The Role of Fathers in Child Sleep*. Symposium presented at the biennial conference of the Society for Research in Child Development, Baltimore, MD.

Chimed-Ochir, U., Whitesell, C. J., Crosby, B., Buxton, O. M., Bierman, K., Mogle, J., & Teti, D. (Mar. 23, 2019). Fathers as coparents: Positive and Negative Coparenting and Children's Sleep Quality during the Transition to Kindergarten. In D. M. Teti, (Chair). *The Role of Fathers in Child Sleep*. Symposium presented at the biennial conference of the Society for Research in Child Development, Baltimore, MD.

Voltaire, S., & Teti, D. M. (Mar. 23, 2019). *Early Maternal Predictors of Nighttime Parenting Competence across the First Year*. Poster presented at the biennial conference of the Society for Research in Child Development, Baltimore, MD.

Voltaire, S., Crosby, B., McDaniel, B. T., & Teti, D. M. (Mar. 23, 2019). *Observed vs. Reported Coparenting and their Linkages to Child Adjustment*. Poster presented at the biennial conference of the Society for Research in Child Development, Baltimore, MD.

Bai, L., Crosby, B., & Teti, D. M. (Mar. 23, 2019). *Sleep Insufficiency, Maternal Parenting, and Infant-Mother Attachment Security during Infants' First Year*. Poster presented at the biennial conference of the Society for Research in Child Development, Baltimore, MD.

Fronberg, K. M., Whitesell, C. J., Crosby, B., Buxton, O. M., & Teti, D. M. (Mar. 22, 2019). *Household Chaos as a Mechanism Linking Socioeconomic Risk and Poor Child Sleep*. Poster presented at the biennial conference of the Society for Research in Child Development, Baltimore, MD.

Teti, D. M. (Mar. 23, 2019). Saturday Lunch with Leaders at the biennial conference of the Society for Research in Child Development, Baltimore, MD.

Whitesell, C. J., Crosby, B., & Teti, D. M. (Apr. 12, 2019). Working 5 to 9: Building Family Routines that Work for Parents Working Non-Traditional Hours. Workshop presented at the Annual Conference of the Pennsylvania Head Start Association, State College, PA.

Teti, D. M. (Nov. 29, 2018). *Coparenting*. Invited webinar presentation to First3Yearstx.org.

Whitesell, C., Crosby, B., & Teti, D. M. (Oct. 15, 2018). The Bumpy Road From Pre-K Quality to Kindergarten Success. Presentation at The Early Childhood Education Summit, Shaping the Future, Early Childhood Educators at Work. PA Child Care Association (PACCA), PA Head Start Association, PA Office

of Child Development and Early Learning (OCDEL), University Park, PA.

Whitesell, C., & Teti, D. M. (Oct. 19, 2018). Household Chaos's Complex Relationships with Infant and Family Sleep. Presentation at The 9<sup>th</sup> Annual PA Infant Mental Health Conference, PA Association for Infant Mental Health. Harrisburg, PA.

Teti, D. M., & Crosby, B. (Oct. 31- Nov. 2, 2018). Infant sleep, mothers' bedtime behavior, and 12-month infant attachment: The moderating role of infant sleep duration. In D. Goldenberg (Chair), Paper to be presented at the International Society of Developmental Psychobiology, San Diego, CA.

Fanton, H., & Teti, D. M., (June, 2018). The effects of sleep arrangements on maternal stress and well-being. Poster presented at the International Congress on Infant Studies, Philadelphia, PA.

Fronberg, K., & Teti, D. M. (June, 2018). Cosleeping and attachment: Does sleep arrangement matter? Poster presented at the International Congress on Infant Studies, Philadelphia, PA.

Bai, L., Whitesell, C., & Teti, D. M. (June, 2018). Maternal irregular sleep patterns and parenting quality during infants' first 6 months. Poster presented at the International Congress on Infant Studies, Philadelphia, PA.

Voltaire, S., & Teti, D. M. (June, 2018). Early nighttime parental interventions and infant sleep regulation across the first year. Poster presented at the International Congress on Infant Studies, Philadelphia, PA.

Chimed-Ochir, U., & Teti, D. M. (June, 2018). Environmental and temperamental predictors of infant Adjustment at 12 months. Poster presented at the International Congress on Infant Studies, Philadelphia, PA.

Teti, D. M. (March 1, 2018). Parental mental health, bedtime parenting and coparenting, and infant sleep across the first year. In S. Y. Choe & J. Fryer (Chairs), *Parenting & Family Dynamics*, pre-conference event presented at the annual convention of the Society for Personality and Social Psychology, Atlanta, GA. (Invited)

Voltaire, S., Teti, D., Crosby, B., & Bangs, K. (Nov. 2–5, 2017). Observed family processes at bedtime: Relation to infant sleep quality at 12 months. In H. Montgomery-Downs & O. Bruni (Co-chairs), Symposium presented at the 9<sup>th</sup> biennial conference of Pediatric Sleep Medicine, Amelia Island, FL

Teti, D. M. (April, 2017) Discussant, M. El-Sheikh (Chair), Family Functioning and Children's Sleep. Symposium presented at the biennial conference of the Society for Research in Child Development, Austin, TX.

Rhee, H.-Y., & Teti, D. M. (April, 2017). Relations between parental sleep quality and maternal daily mood, maternal mood dynamics and its linkage to mothers' bedtime emotional availability during infants' early 6 months. Poster presented at the biennial conference of the Society for Research in Child Development, Austin, TX.

Shimizu, M., & Teti, D. M. (April, 2017). Is poor coparenting quality a cause of co-sleeping, or is co-sleeping a cause of poor coparenting quality? Poster presented at the biennial conference of the Society for Research in Child Development, Austin, TX.

Whitesell, C., & Teti, D. M. (April, 2017). Parenting in chaos: Parenting practices and emotional availability in relation to household chaos in infancy. In M. Prevo (Chair), Bringing order to chaos: The role of household chaos in parenting. Symposium presented at the biennial conference of the Society for Research in Child Development, Austin, TX.

Teti, D. M. (April 20, 2017). The role of the family in infant sleep development. Presentation to State University of New York at Buffalo Department of Psychology (invited).

Teti, D. M. (May 7, 2017). Bedtime and nighttime parenting, infant sleep across the first year, and infant attachment. In S. Berger (Chair), Transforming the Way Pediatrics Approaches Parenting to Improve Child Health Outcomes: Evidence from Attachment Theory and Research. Symposium presented at the annual meeting of the Pediatric Academic Societies, San Francisco, CA. (Invited)

Teti, D. M. (2/2/2017). Parenting, infant sleep, and the family system. Presentation at Bucknell University's Dept. of Psychology (Invited).

Teti, D. M. (2016, Oct.). (Invited). Infant sleep and the family context: Bidirectional influences. Presented at S. M. McHale, V. King, and O. Buxton (Chairs), *Penn State's 24th Annual Symposium on Family Issues. Sleep Across the Life Course: Family Influences and Impacts*. University Park: Penn State University.

Shimizu, M., & Teti, D. M. (July 31, 2016). Cultural norms for infant sleep arrangements and maternal distress in the first year. Presentation at the International Association of Cross-Cultural Psychology, Nagoya, Japan.

Teti, D. M. (April 26, 2016). Project SIESTA: A study of bedtime and nighttime parenting, family functioning, and infant-parent sleep. The Evan G. and Helen G. Pattishall Lecture Series, given to the College of Health and Human Development, The Pennsylvania State University.

Paul, I. M., Schaefer, E. W., Moon, R. Y., Batra, E. K., Neumann, B. A., Meek, E. I., & Teti, D. M. (April, 2016). Nocturnal Video Assessment of Unsafe Infant Sleep Environments. Platform presentation at the annual meeting of the Pediatric Academic Society, Baltimore, MD

Doheny, K. K., Gardner, F.C., Teti, D.M., Palmer, C., Sugino, S., Janicki, P. (April, 2016). Polymorphisms of HTR2C (serotonin receptor gene) are associated with differences in post-handling cortisol levels in preterm infants. Poster presented at the Annual meeting of the Pediatric Academic Society, Baltimore, MD.

Teti, D. M., Whitesell, C., & Crosby, B. (March, 2016). Household chaos: Effects on infant sleep. In A. Sadeh (Chair), Parental context for infant sleep. Symposium conducted at the 4<sup>th</sup> International Pediatric Sleep Association, Taipei, Taiwan.

Teti, D. M. (May, 2016). Relations between race/ethnicity, infant sleep arrangements, maternal distress, and infant-parent sleep across the first year. In M. Luijk (Chair), *Infant sleep and sleep problems: culture vs. Physiology*. Symposium presented at the World Association for Infant Mental Health, Prague, Czeck Republic.

Teti, D. M. (2016, March). Putting baby to bed: The role of bedtime and nighttime parenting on attachment and infant development. Paper presented at the Attachment and Clinical Practice Conference, Hershey Medical Center, Hershey, PA. (Invited)

Teti, D. M. (2015, March) (Chair). Sleep, development, and health: The role of family and environmental contexts. Symposium presented at the biennial conference of the Society for Research in Child Development, Philadelphia, PA

McDaniel, B. T., & Teti, D. M. (2015, March). "I always have to get up!": Relations between perceived sleep quality and coparenting support over the first year of parenthood. Poster presented at the biennial conference of the Society for Research in Child Development, Philadelphia, PA

Reader, J. M., McDaniel, B. T., & Teti, D. M. (2015, March). Predictors of longitudinal trajectories of father and mother involvement at bedtime during infancy. Poster presented at the biennial conference of the Society for Research in Child Development, Philadelphia, PA.

Jian, N., Teti, D. M., & Kim, B.-R. (2015, March). Infant negative emotionality and observed bedtime maternal emotional availability predicting one-year-olds' behavior problems. Poster presented at the biennial conference of the Society for Research in Child Development, Philadelphia, PA.

Shimizu, M., Teti, D. M., Kim, B.-R., & Philbrook, L. (2015, March). Are 9-to-12 month increases in infant sleep disruption an index of healthy attachment development? Poster presented at the biennial conference of the Society for Research in Child Development, Philadelphia, PA.

Reader, J.M., & Teti, D. M. (2015, March). Negative life events and associations with marital quality across The first two years of parenthood. Poster presented at the biennial conference of the Society for Research in Child Development, Philadelphia, PA

Philbrook, L. E., Jian, N., Kim, B.-R., McDaniel, B. T., Reader, J. M., Rhee, H.-Y., & Teti, D. M. (2015, March). Influences and interactions of parenting practices and quality at bedtime on infant sleep quality Across the first six months. Poster presented at the biennial conference of the Society for Research in Child Development, Philadelphia, PA.

Teti, D. M. (Dec. 10, 2014). The social ecology of infant sleep: Parenting, sleep arrangements, and parent-infant outcomes. Presentation to the Center for Children, Relationships, and Culture, University of Maryland College Park, College Park, MD

Teti, D. M. (Nov 13-15, 2014). Lead Organizer, New Conceptualizations of Parenting-at-Risk, SRCD Themed Meeting, San Diego, CA. (with Pamela Cole, Natasha Cabrera, Sherryl Goodman, and Vonnie McLoyd.

Teti, D. M. (April, 2014) Invited presentation, "Parenting competence with infants at bedtime and at night". Invited presentation to be given at the Rhythms of Infant Life conference, at Durham University, United Kingdom.

Teti, D. M. (October, 2013). (Keynote speaker). "The social environment of infant sleep: Family distress, bedtime parenting, and infant development" . Presentation to the Australasian Marcé Society 2013 Conference: "Perinatal mental health: from conception to kindergarten. Connecting research to clinical practice. Melbourne, Australia

Teti, D. M. (October, 2013). Invited workshop. "Bedtime and nighttime parenting in infancy: What defines competent parenting?". Presented to the to the Australasian Marcé Society 2013 Conference: "Perinatal mental health: from conception to kindergarten. Connecting research to clinical practice. Melbourne, Australia

Teti, D. M. (April, 2013). (Chair). Preschool psychopathology, the development of self-control, disruptions in parent-child relationships, and environmental context. Symposium presented at the Biennial Conference of the Society for Research in Child Development, Seattle, WA.

Skowron, E., Cipriano-Essel, E., Teti, D. M., Gatzke-Kopp, L., & Ammerman, R. (2013, April). Children's RSA moderates associations between maltreatment exposure and inhibitory control: Evidence of neurobiological sensitivity to context. In D. M. Teti (Chair), Preschool psychopathology, the development of self-control, disruptions in parent-child relationships, and environmental context. Symposium presented at the Biennial Conference of the Society for Research in Child Development, Seattle, WA.

Teti, D. M., Shimizu, M., & Crosby, B. (2013, April). Sleep arrangements and mother-infant sleep from 1-to-12 months: Actigraph vs. mother-reported measures tell different stories. In S. Parade (Chair), The parenting context of infant sleep: Influence of parental behaviors, cognitions, and emotions. Symposium presented at the Biennial Conference of the Society for Research in Child Development, Seattle, WA.

Teti, D. M., Reader, J., Philbrook, L., Rhee, H.-Y., McDaniel, B. T., Kim, B.- R., & Jian, N. (2013, April). Bedtime and nighttime parenting of infants during the first six months of life and infant sleep quality. In M. El-Sheikh (Chair), Emerging longitudinal research linking family processes and children's sleep. Symposium presented at the Biennial Conference of the Society for Research in Child Development, Seattle, WA.

Whitesell, C., & Teti, D. M. (2013, April). An observational approach to assessing family chaos in families with infants: Linkages to family and individual functioning. Poster presented at the Biennial Conference of the Society for Research in Child Development, Seattle, WA.

Whitesell, C., & Teti, D. M. (2013, April). The effect of major life events on chaos in families of infants across the first two years. Poster presented at the Biennial Conference of the Society for Research in Child Development, Seattle, WA.

McDaniel, B. T., & Teti, D. M. (2013, April). The effects of infant sleep on parents' depression, sleep quality, and coparenting quality across the first year of parenthood. In E. Riina (Chair), Developmental trajectories of

coparenting from infancy through adolescence: The role of child characteristics. Symposium presented at the Biennial Conference of the Society for Research in Child Development, Seattle, WA.

Rhee, H. – Y., Kim, B.- R., Mayer, G., & Teti, B. M. (2013, April). Mothers' daily mood and emotional availability during the early transition to parenthood. Poster presented at the Biennial Conference of the Society for Research in Child Development, Seattle, WA.

Kim, B.- R., & Teti, D. M. (2013, April). Infant temperamental reactivity moderates the relation between attachment security and emotion regulation strategies. Poster presented at the Biennial Conference of the Society for Research in Child Development, Seattle, WA.

Klein, M., & Teti, D. M. (2013, April). Concurrent and previous depression in mothers, anger regulation, and emotional availability in mother-infant interaction. Poster presented at the Biennial Conference of the Society for Research in Child Development, Seattle, WA.

Jian, N., Teti, D. M., & Kim, B.- R. (2013, April). Maternal emotional availability, Mother-perceived infant temperament and objectively-assessed infant sleep at six months. Poster presented at the Biennial Conference of the Society for Research in Child Development, Seattle, WA.

Philbrook, L. E., Hozella, A. B., & Teti, D. M. (2013, April). Attachment, temperament, sleep quality, and infant diurnal cortisol at 12 months. Poster presented at the Biennial Conference of the Society for Research in Child Development, Seattle, WA.

Stewart, R., Jian, N., & Teti, D. M. (2013, April). Sleep quality affects emotional regulation and reactivity during the first year of life. Poster presented at the Biennial Conference of the Society for Research in Child Development, Seattle, WA.

Shimizu, M., Kim, B.- R., & Teti, D. M. (2013, April). Maternal distress, maternal emotional availability at bedtime, and infant sleep arrangements at 3, 6, and 9 months. Poster presented at the Biennial Conference of the Society for Research in Child Development, Seattle, WA.

Rhee, H.-Y., Kim, B.- R., & Teti, D. M. (2013, April). Mothers' Daily Mood and Emotional Availability during the Early Transition to Parenthood. Poster presented at the Biennial Conference of the Society for Research in Child Development, Seattle, WA.

Reader, J., McDaniel, B. T., & Teti, D. M. (2013, April). Highly reactive infants may make setting limits difficult at night for parents. Poster presented at the Biennial Conference of the Society for Research in Child Development, Seattle, WA.

Hajal, N. J., Cole, P. M., Bendezu, J., & Teti, D. M. (2013, March). Mothers' moment-to-moment emotions and behavioral responses to real-life parenting challenges: An ecological momentary assessment study. Poster presented at the 2013 Penn State Graduate Student Exhibition, University Park, PA.

Hajal, N. J., Cole, P. M., & Teti, D. M. (2013, April). Managing the "Terrible Twos": Self-Regulation in Mothers of Children in the Second Year of Life. Poster presented at the Biennial Conference of the Society

for Research in Child Development, Seattle, WA.

McDaniel, B. T., Philbrook, L., & Teti, D. M. (2012). *Becoming Parents: Coparenting Quality and Salivary Cortisol*. Paper presented at the conference of the National Council on Family Relations, Phoenix, AZ.

Teti, D. M., Kim, B.-R., Mayer, G., McDaniel, B., Philbrook, L., Rhee, H.-Y., Shimizu, M., Whitesell, C., & Crosby, B. *Bedtime parenting vs. infant sleep quality in the first year of life: Predicting infant-mother attachment and behavior problems at 12 months*. Paper presented in A. J. Schwichtenberg & A. Bernier (Chairs), *Sleep and Development: How Sleep and Parenting Contribute to Behavioral, Social Emotional, and Language Development*. Symposium conducted at the biennial International Conference on Infant Studies, June, 2012, Minneapolis, MN.

McDaniel., B., & Teti, D. M. *Infant sleep quality and mothers' and fathers' perceptions of coparenting*. Paper presented in B. McDaniel & D. M. Teti (Chairs), *Paternal coparenting across the transition to parenthood: Prenatal and postnatal influences*. Symposium conducted at the biennial International Conference on Infant Studies, June, 2012, Minneapolis, MN.

Kim, B.-R., & Teti, D. M. *Infant Temperament Moderates the Link between Mothers' Emotional Availability during Infant Bedtimes and Attachment Security*. Poster presented at the biennial International Conference on Infant Studies, June, 2012, Minneapolis, MN.

Whitesell, C., & Teti, D. M. *Assessing chaos in families with infants: An observational approach for capturing family chaos in the home*. Poster presented at the biennial International Conference on Infant Studies, June, 2012, Minneapolis, MN.

Chin, F., & Teti, D. M. *Cognitive and socio-emotional developmental competencies in premature infants at 12 months: Predictors and developmental sequelae*. Poster presented at the biennial International Conference on Infant Studies, June, 2012, Minneapolis, MN.

Mayer, G., & Teti, D. M. *The Relationship between Early Maternal Responsiveness to Infant Nighttime Distress and Attachment*. Poster presented at the biennial International Conference on Infant Studies, June, 2012, Minneapolis, MN.

Rhee, H.- Y., & Teti, D. M. *Social Supports, Life Stress, and Emotional Availability in Mothers during the Early Transition to Parenthood*. Poster presented at the biennial International Conference on Infant Studies, June, 2012, Minneapolis, MN.

Reader, J., McDaniel, B., & Teti, D. M. *Parental worries about infant sleep and infant sleep location across the first six months of life*. Poster presented at the biennial International Conference on Infant Studies, June, 2012, Minneapolis, MN.

##### Miscellaneous

Interview by Parents magazine (October, 1996)

Moderator, Roundtable discussion, "The Effects of Maternal Depression on Children", audiotape produced by the American Academy of Pediatrics (Sept. 21, 1996). With William R. Beardslee and Alice Carter, discussants.

Interview by Parenting magazine (May, 1997)

5/15/98. Certified as an examiner of the Neonatal Behavioral Assessment Scale (from the Brazelton Institute, Boston).

5/21/98. Certified as interviewer and coder of the Adult Attachment Interview (from M. Main & E. Hesse).

Spring, 2005. Certified as coder of the Emotional Availability Scales (by Zeynep Biringen).

Spring, 2008. Featured in College of Health and Human Development: Advancing a Vision.. "Think outside the crib: Parents influence infants' sleep behaviors.

Fall, 2008. Interview by Today's Child magazine on the significance of early parent-infant Relationships.

Winter, 2009. Interview with Public Broadcasting System on new perspectives in parenting

research.

Fall, 2009. Interview by Newsweek Magazine on parenting and infant sleep

Summer, 2010. Interview in Research Penn State on paternal post-partum depression

Summer, 2010. Interview with Rodale.com on parenting, emotional availability, and infant sleep

Summer, 2010. Interview with the Washington Post on parenting, emotional availability, and infant sleep

Summer, 2010. Interview with the U.S. Department of Health and Human Services on parenting, emotional availability, and infant sleep

Summer, 2010. Interview with Medical Communications on parenting and infant sleep

Fall, 2010. Interview by The Globe and Mail on parenting and infant sleep

Fall, 2010. Interview by National Public Radio on parenting and infant sleep

Fall, 2010. Interview with Babytalk magazine on parenting and infant sleep

Spring, 2011. Video interview with Worth Publishers on parenting and infant sleep

Summer, 2011. Interview by Baby and Toddlers magazine on parenting and infant sleep

Fall, 2013, Interview by takepart.com on co-sleeping and infant-parent sleep, by Bonnie Rochman

February, 2014, interviewed by Alice Callahan, author, The Science of Parenting Decisions, Volume to be published by Johns Hopkins University Press.

December, 2014, interview for State College Magazine on parenting and infant sleep.

April 2016 interview by Child and Family Blog, University of Cambridge.

June 2016 interview by Lisa Beach for LisaBeachWrites.com

June 2016 Interview by Maryna Raskin Weebly.com blog

Feb 2018 Interview and press release by Penn State News

Feb. 2018 Interview by Romper.com

Sept. 2018 Interviewed by "CST" the Science, Health and Technology daily show on NTN24,

Latino News channel

Oct. 2018 Interview by Nutopia.com for Netflix series on the science of baby development

Nov.19, 2018 Interview for New York Times, “Baby won’t sleep through the night? You’re not alone.” Interview and article by Perri Klass.

Dec. 5, 2018 Interview for New York Times Parenting magazine, by Roberta Kwok

Feb. 10, 2021. Interview by Family Wellness International Institute, Brazil, Jessica Moura.

2022. Interview for webinar by Pediatrics on Peds paper (in press, ). Sleep duration and kindergarten adjustment.

2022 June Interview by CNN on Pediatrics Sleep Duration and Kindergarten Adjustment paper

2022 June Interview by NPR on Pediatrics Sleep Duration and Kindergarten Adjustment paper

2022 July Interview by Spectrum News on Pediatrics Sleep Duration and Kindergarten Adjustment paper
